

NOTICE TO BIDDERS
ADDENDUM #1
TOWNSHIP OF RANDOLPH, MORRIS COUNTY, NEW JERSEY
SUPPLYING WATERWORKS SPECIALTIES
BID OPENING DATE – WEDNESDAY, MARCH 4, 2015

NOTICE IS HEREBY GIVEN that sealed bids for **SUPPLYING WATERWORKS SPECIALTIES** for the Township of Randolph, County of Morris, State of New Jersey will include an acknowledgement of ADDENDUM #1. The ACKNOWLEDGEMENT OF REVISIONS AND NOTICES form included in the bid specifications must be completed. The Addendum shall become part of the original specifications and is to be attached thereto.

Bidder question:

Q: It is stated that under referenced case law, that foreign goods may be awarded if the cost of the domestic product is deemed to be "unreasonable". My first question is, since both domestic and foreign materials will be considered for this bid, do I have the option to bid both? My second question is, what does the Township consider to be an unreasonable difference in price?

A: Bidders can only bid one item – foreign or domestic – and only one price. It is up to the bidder to determine if he wants to bid the foreign or domestic product and for what price. We can't determine what an unreasonable difference in price is until we see the bids. All prices are relative.

Additionally, the following items are to be added to the bid proposal page. Bidders wishing to bid on these items shall include unit prices for these items in their bid package, along with the manufacturer number and brand bidding (follow the same format as the current bid proposal page).

Bidders of record who have received the bid package for this project will receive via facsimile or mail a 3-page Detailed Proposal Form Supplement which contains these items. If bidders wish to bid on any of these additional items, they must include these additional pages with their bid proposal. Bidders are NOT required to bid on these items.
