NOTICE IS HEREBY GIVEN that sealed bids for the **BENNETT AVENUE SITE REMEDIATION PROJECT** for the Township of Randolph, County of Morris, State of New Jersey will include an acknowledgement of ADDENDUM #2. The ACKNOWLEDGEMENT OF RECEIPT OF CHANGES TO BID DOCUMENTS FORM included in the bid specifications must be completed and returned with the bid package. The Addendum shall become part of the original specifications and is to be attached thereto.

This Addendum is being issued in response to some additional bidder questions.

Q1. What activities are to be included in the site cleanup line item?

A1. The work under this item includes contractor demobilization and removal of all contractor equipment and debris.

Q2. Can you confirm that there will be no fine grading of the site or topsoil/seeding required.

A2. No fine grading or topsoil/seed is required. The site is to remain with the gravel fill to grade as identified in the various remediation items.

Q3. What is the maintenance bond meant to cover? What is the contractor responsible for maintaining for the 2 year period?

A3. The maintenance bond is to cover any post construction settlement due to inadequate compaction. There are no facilities to maintain.
