

S.A.F.E. Homes Membership 2010-2012  
(Support Alcohol Free Environment)

**Randolph Municipal Alliance Committee (MAC)**  
Providing Communitywide Drug Awareness and Prevention Education

S.A.F.E. Homes serves a two-fold purpose. It is a pledge by parents to raise awareness, encourage communication and foster a sense of responsibility in both parents and teens. It also serves as a directory that allows parents the ability to network with other parents who wish to keep their child alcohol- and drug-free. The signing of this pledge does not change your legal responsibilities, rather, it is meant to show your commitment to keeping all our children safe. The S.A.F.E. Homes Directory is a published list of parents who pledge to take an active role in preventing underage drinking in their homes. Directory access will be through the township web site with password protection. A password will be e-mailed to each member once the electronic directory is complete.

**By becoming a S.A.F.E. Homes member, you:**

- agree not to give youth access to alcohol in your home
- agree to be actively involved in monitoring social activities in your home
- will know your child will not have access to alcohol at the homes of other members in the directory
- will create a safe, alcohol & drug free environment for your child

Please return this form with your **\$10.00 biennial membership donation** (proceeds will go toward drug and alcohol awareness and prevention programs in the middle school and high school). Make check payable to **Randolph Township MAC**. Return membership form and check to:

**Randolph Township MAC**  
502 Millbrook Ave.  
Randolph, NJ 07869-3799
