2019 Country Fair
At the Municipal Building on Millbrook Avenue
September 21
(Rain date September 22)

The Randolph Rotary Club and Randolph Township are pleased to celebrate the 12th Annual Randolph Country Fair on Saturday, September 21! The event will be held at the Municipal Building on Millbrook Avenue from 10:00 a.m. – 5:00 p.m. The Country Fair has grown over the years with over 3,000 people attending in 2018! Join us as we look forward to an even larger crowd this year! Planned activities include vendors and crafters, hayrides, inflatable slides, a community yard sale, musical entertainment, food and beverages, and much more. Highlights of the Country Fair include the Economic Development Committee’s Business Achievement Awards and demonstrations by local dance groups and martial arts schools. The Friends of the Animal Shelter will also host their annual Tricky Tray fundraiser. Parking is available in the Randolph High School and Middle School parking lots.

Development Update
Randolph Township continues to be a community in which businesses desire to locate. Several development and redevelopment projects have recently been completed or are currently under construction.

Metro Storage, a self storage facility, is currently under construction on Route 10 east of Millbrook Avenue. The 118,000 square foot building will have approximately 860 storage units of various sizes and is expected to open in mid- to late-2020.

The construction of a Wawa convenience store and gas station is expected to begin this fall at the site of the former Nagel’s Candy Barn. The convenience store will be over 4,500 square feet in size and the gas station will feature 12 pumps. As part of this project, improvements to the jug handle/intersection of Millbrook Avenue and Quaker Church Road will also be made. The improvements include realignment of the ramp from Route 10 westbound to Millbrook Avenue to provide greater separation from the Quaker Church Road intersection as well as additional striping and lane channelization to improve safety.

In June, Weis Markets opened its Weis Discount Liquor store at 148 Center Grove Road. The new store is an exciting addition to Randolph as it is currently the only beer, wine and liquor store in New Jersey operated by Weis Markets. Its location, just a few doors down from Weis Markets, occupies 3,000 square feet of retail space and carries a wide range of products. The Township Manager and members of the Township Council joined the Weis Discount Liquor store team to celebrate the grand opening of the new store. On behalf of the community, the township representatives accepted a generous donation of $1,500 to benefit the 2019 Freedom Festival and Eleventh Hour Rescue.
The Economic Development Committee Encourages Residents to Shop Local

Whether you are a student, parent or educator, don’t fret, our local merchants have got you covered! “Back to School” shopping is no longer just for school supplies. For many, “Back to School” also means updating electronics, finding meal prep help, child care, clothing and shoes, sports and dance gear; tutoring and college prep help and much more! All of these can be found right in Randolph! Just a quick trip around the township includes Staples, various hair and nail salons, ACM& Weis Markets, tutoring facilities, daycares and preschools, athletic and clothing shops, and many sports and performing and visual arts facilities. And now that the kids are back to school, it’s time to treat yourself to spa time, yoga classes, or lunch or dinner with friends to celebrate the return of the school year.

For a listing of merchants and other ideas on where to shop locally, visit the Randolph Economic Development Committee’s directory of businesses at www.randolphlocals.com. If you are a business owner – make sure your listing is updated so residents can easily find you for all of their shopping needs!

Randolph Township Welcomes New Residents

On May 2nd, the Randolph Township Council hosted a reception to welcome and help orient new residents to the community. The Council initiated the reception as a means to address questions new residents had been posing about the township government on social media and in other forums. The event featured a presentation covering a number of topics including an overview of the council-manager form of government, township demographics, information on local businesses, communications, township events, boards and committees, and municipal services and facilities.

Following the presentation, residents were provided a tour of the municipal building to meet township staff, and light refreshments were served at a reception with the Council.

Based upon the positive feedback, Randolph Township staff plan to make the reception an annual event. For information on the reception, or to obtain the new resident informational packet distributed to participants, please contact Randolph Township Manager Steve Mountain at 973-989-7060 or at smountain@randolphnj.org.

Randolph Township in brief...

A Message from the Mayor

I hope you had an enjoyable summer as we now begin the transition to winter through these cooler autumn months. Whether you spent time at the Jersey shore, experienced a family vacation at a favorite destination, or took advantage of Randolph Lake and the many amenities our township has to offer, we now return to busy schedules, particularly those of us with school age children. Additional time is necessary for our commute to and from work and trips around town as our roads become more congested with cars and school buses.

We should all be reminded to drive safely and without distraction. In particular, the flashing lights and stop bars of school buses should be respected. As witnessed several times last school year, a growing concern has been the frequency with which driver are ignoring these signals and proceeding past stopped buses. In response, the Board of Education (BOE) authorized the purchase of high-resolution cameras to be installed on all school buses to curb this dangerous behavior and increase the safety of our school children. Captured images can be submitted to the Randolph Township Municipal Court and used to prosecute violators. The BOE’s goal is to have all buses equipped with cameras this school year.

During the last several months, township and county officials met with representatives of the New Jersey Department of Transportation in an effort to improve the safety and circulation of Randolph’s four major intersections along the Route 10 corridor. Some of the items to be implemented include:

- Adjusting the signalization timing at all four intersections
- Re-striping at Dover Chester Road northbound to allow two left turn lanes
- Adding Route 10 eastbound/westbound left turn lanes at Dover Chester Road
- Widening northbound Canfield Avenue to allow for left turn lane

I hope you plan to join friends and neighbors at the 12th annual Country Fair to be held on Saturday, September 21 (rain date – September 22) at the municipal complex from 10:00 a.m. – 5:00 p.m. The Randolph Rotary Club, in partnership with Randolph Township, organizes and sponsors this popular event. On behalf of the township, I thank the Rotary Club for providing another opportunity to enjoy an outdoor event benefitting our entire community.

I look forward to seeing you at the Country Fair and hope you have a safe and enjoyable fall season!

Sincerely,
Jim Lovesey
Mayor

Randolph Township Health Department

Appointments required. Please call the Public Health Nurses at 973-537-7118 to schedule an appointment.

Female Cancer Screening
Age 18 years and older.
Date: October 24
Time: 5:30 p.m.
Location: VanGuard Medical Group
477 Route 10 East Suite 205, Randolph
Physician: Dr. Patricia Renz
Fee: $55/$50 (age 65 and above)

Child Health Conferences
For Randolph and Rockaway Borough residents from birth to 18 years of age. If you have no insurance and meet income guidelines, you may be eligible for the child health program and free immunizations.

Time: 3:00 p.m. – 5:00 p.m.
Location: Randolph Township Municipal Building, Conference Rooms 1 & 2

Flu & Pneumonia Clinics
As of the newsletter submission deadline, clinic dates were not yet determined. Please visit www.randolphnj.org for dates and times.
From the Tax Collector

Senior Freeze (Property Tax Reimbursement)

This program is offered by the State of New Jersey; the current reimbursement year is 2018. The program is offered to eligible persons who were age 65 on December 31, 2017 or, if under age 65, were receiving Social Security disability payments on December 31, 2017.

If you have filed your 2018 application, the State has begun mailing checks to eligible applicants. You have until October 31, 2019 to file your 2018 application. For more information you may call the hotline at 1-800-882-6597 or log onto www.state.nj.us/treasury/taxation/ptr/

Tax Sale 2019

Randolph Township will hold the annual tax sale on Thursday, October 24, 2019 at 8:30 a.m. The sale will be conducted online. If you wish to view the properties included in the tax sale, or want to file a homestead benefit regarding the process, log onto www.randolph.newjerseytaxsale.com after September 24, 2019.

The tax sale will be conducted in accordance with NJ State Statues. The items included with this tax sale will be any delinquent taxes, water, sewer, special assessments and any other municipal charges which are delinquent for the year 2018. Questions may be directed to 973-989-7048.

Randolph Township will hold the annual tax sale on Thursday, October 24, 2019 at 8:30 a.m.

Homestead Benefit

The State of New Jersey Division of Taxation posted the following statement regarding the Homestead Benefit. Eligible homeowners are receiving their 2016 Homestead Benefit property tax relief in two payments this year. Most eligible homeowners received the first half of the benefit as a credit on their second-quarter property tax bill or by check around May 1, 2019. If you received a benefit earlier this year, you can expect the second half of the benefit as a credit or check on or about November 1, 2019. The amount of your second credit or check should equal the amount you initially received. You do not need to reapply or take any action to receive the additional payment. Revisit our website, www.state.nj.us/treasury/taxation/homestead/ on the fall for more information or to check the status of your benefit.

Wayfaring Signs Added to Trail System

New signage was installed along the township’s trail system to better identify the routes as well as to provide location information in an emergency situation. Updated trail maps will be printed this fall following review by the Trails Advisory Committee. These maps will include information on trail surfaces and inclines as well as a QR code which will link to online maps through the Randolph Township website. All distances on the trails are calculated from the Freedom Park trail head.

Blue Trail: Radtke Road (north-east) - Heisten Park (south-west)
Red Trail: Shongum School (east) - Cohn Farm (west)
White Trail: Hidden Valley (north-east) - Combs Hollow Road (south-west)
Green Trail: Brandywine Court (north) - Leslie Avenue (south-west)
Orange Trails: connector trails from other roads/trailheads to one of the main trails above

A Letter from the Superintendent

The 2019-2020 school year is off to a great start, and I am excited to share some of the work that has gone into preparing for this school year.

We are fortunate to have an amazing team of individuals that put in a lot of effort behind the scenes to prepare our schools, all while allowing other programs to take place. This summer we never shut down. Our teachers, paraprofessionals, bus drivers, computer technicians, security guards, custodians, maintenance and grounds staff, support staff, supervisors, and administrators worked tirelessly to keep it all going and get it all done. For example, we hosted our annual extended school year program, a STEAM (Science, Technology, Engineering, Arts, and Math) camp, high school classes for credit, and summer camps. It was great to have so many of our students with us throughout the summer months.

While planning various schedules and goals for this year, there was a lot of work done to our facilities. We increased security at every building and transformed learning spaces to align with our belief that student exploration fosters a true love of learning. While many of the 2018 referendum projects are taking shape, you will continue to see progress throughout this year. We love what we do and value the services we provide to the community. Promoting the many talents of our students and staff is something we look forward to continuing to do throughout the year. You can expect to see highlights about the academic programs, competitive athletic programs, revered art programs, and a myriad of activities that allow students to discover and hone their unique skills. We will continue to tell our story and welcome your feedback.

In closing, this school year will be focused on the wellness of our students and staff. Our district goals have been created around the academic growth of each student, the evolution of the learning environments, the professional development of all staff, and innovation. We know that our students will go on to be great leaders, and it is our responsibility to empower them with knowledge and experiences while reinforcing the need for kindness, compassion, and collaboration.

Best wishes for an enjoyable fall season,
Jennifer Fano, Superintendent

www.randolphnj.org

TRUNK OR TREAT

Following major October storms in 2011 and 2012, trick or treating was discouraged in the township those two years due to unsafe road conditions. To provide a safe alternative, the first Trunk or Treat event was held in Randolph. Since then the event has grown into a popular Halloween activity co-sponsored by Mt. Freedom Fire Company #3 and the Recreation Department. Participants are encouraged to have fun and decorate their cars! All cars must distribute candy/treats while participants go from car to car to “Trunk or Treat.”

All cars entering the park must be pre-registered and will be attended during the time the children are Trunk or Treating! Be sure to bring enough candy/treats to last the entire event. If you have any questions, please call the Recreation Department at 973-989-7081.

Trunk or Treat will be held on Saturday, October 26 at Brundage Park:
Parking/set-up: 6:00 p.m. – 7:00 p.m.
Trunk or Treating: 7:00 p.m. – 8:00 p.m.
Prizes awarded: 7:45 p.m. – 8:00 p.m.

**ALL CARS MUST BE PRE-REGISTERED AND MUST DISTRIBUTE CANDY/TREATS**

Thanksgiving Holiday Garbage and Recycling Collection Schedule

There will be no garbage or recycling (Route #3) collection on Thursday, November 28 due to the Thanksgiving holiday. The make-up collection will take place on Friday, November 29. Be sure to have containers at the curb no later than 6:00 a.m.

General Election Day

Tuesday, November 5

Voting hours are from 6:00 a.m. to 8:00 p.m.

Police Department News – Personnel Changes

Retirement
After 25 years of service as a police officer, Lieutenant Christopher Giuliani retired from the Randolph Township Police Department. He began his law enforcement career in 1994 as a patrolman for the Morris Plains Police Department, and in 1995 joined the Randolph Township Police Department. During his career in Randolph, he worked his way up from the patrol division to Detective Lieutenant overseeing the Detective Bureau and Support Services Unit of the department. Throughout his career, Lieutenant Giuliani also received awards for Life Saving, Grand Cordon, Meritorious Service, Exceptional Duty, and Honorable Service. With his retirement, Lieutenant Giuliani is looking forward to being able to spend more time with his children. Best of luck with retirement, Lieutenant!

Promotions
The Randolph Township Police Department recently promoted two officers within the department. Detective Sergeant Keith Donovan was promoted to the rank of Lieutenant. Lieutenant Donovan will oversee the patrol division, which consists of four sergeants and 18 patrolmen. Detective Matthew Pfeiffer was promoted to the rank of Sergeant and will be supervising a patrol squad.

New Patrol Officers
The Randolph Township Police Department recently welcomed two new patrolmen to the department, George Emporellis and Dylan Van Riper.

Officer Emporellis always had a passion for helping others. This passion motivated him to earn a degree in physical therapy while he lived in Greece. After graduating, he moved to the United States where he served in the U.S. Army. After serving, he wanted to pursue a career where he would be able to diversify his skills; this led him to a career in law enforcement.

Officer Van Riper grew up in Waldwick, New Jersey, and graduated from William Paterson University in May 2018 with a Bachelors Degree in Criminal Justice and Criminology. In February 2019 he began the alternate route program at the Essex County Police Academy where he was hired by the Randolph Township Police Department.

New Crossing Guard
The Randolph Township Police Department welcomes Paul Samuelson as the new crossing guard for Fernbrook Elementary School. After working in the corporate world for 44 years, Paul began working as a substitute crossing guard for the 2018-2019 school year. He had to complete both classroom and in the field training for this role.

Long-time Randolph Township resident Steven Fernicola makes wooden American flags as a hobby. He recently contacted the Randolph Township Police Department and explained that he wanted to donate one of his flags to thank the police for all that they do for the township. The thin blue line flag crafted by Mr. Fernicola now hangs in the hallway of the police department. Thank you, Mr. Fernicola, for donating this beautiful piece of art to the Randolph Township Police Department.

Traffic Safety – Leaves in the Roadway
The Randolph Police are asking for your help in keeping the roads safe during the fall months. Leaf piles in the roadway can be difficult to see at night, slippery when wet, and narrow the passage. Please rake, sweep, or place your leaves curbside along the public street no sooner than seven days prior to their scheduled pick up. Below is an excerpt from local ordinance 62-69:

Leaves.
(1) Placement. Property owners, tenants of property owners, agents of property owners or tenants, contractors of property owners or tenants and landscapers of property owners or tenants may place leaves in sealed biodegradable bags curbside along public streets throughout leaf collection season provided that sealed biodegradable bags shall not be placed less than ten feet from any storm drain inlet, nor shall they create a hazard for vehicles.

(2) Sweeping, blowing, raking, and dumping of leaves. Property owners, tenants of property owners, agents of property owners or tenants, contractors of property owners or tenants may sweep, blow, rake, or dump leaves onto the curbside of public streets fronting a resident's property during leaf collection season within the seven day period before the scheduled leaf collection day (published in the fall town newsletter and posted on the town web site) provided that the leaves shall not be placed less than ten feet from any storm drain inlet, nor shall they create a hazard for vehicles.

Fire Department News

New Jaws for Saving Lives
The Randolph Fire Department recently took delivery of new hydraulic rescue tools for vehicle and specialized rescue. There are many parts to the job of a Randolph Firefighter; motor vehicle accidents with occupants trapped inside are no exception. The Fire Department responds to all of these incidents with a heavy rescue vehicle and a fire engine. Until June 2019, the specialty tools known to most as the "Jaws of Life" were our primary tools for these types of emergencies. These tools served us well, but date back to the mid 1990s. As the times have changed, the materials and safety systems within motor vehicles have changed. Therefore, our techniques and equipment have changed.

The new tools are designed to cut and separate the high strength materials of today's vehicles. These new tools have a higher cutting and spreading force which give well-trained members a cutting edge to perform rescues more quickly and efficiently. The new rescue tools will be on display at the department's upcoming open houses for Fire Prevention Month in October. If you would like to do more than just see this new equipment, the Randolph Fire Department is always accepting Volunteer Firefighter applications! Once a member, you will be trained to use these tools as well as other specialty pieces of equipment that we use to provide fire and rescue services to the community and our surrounding neighbors.

Upcoming Events
Saturday, October 12th – Fire Prevention Open House
Residents and their children are invited to visit their local fire station, meet the firefighters, see the equipment, and watch demonstrations. The Open House is from 11:00 a.m. to 3:00 p.m., rain or shine. For more information, please call the Fire Prevention Bureau at 973-989-7039.

Saturday, October 12th – Shongum Mountain Fire Company’s 16th Annual Casino Night
Your $50 admission ticket includes a cocktail hour with drinks and hors d’oeuvres at 6:30 p.m., a $25 voucher (if prepaid) or $75 voucher if paid at the door) to start your gaming on real casino type blackjack, craps, poker, and roulette tables; and a coupon to be entered into a drawing with prizes worth several thousand dollars. The fun and excitement is held at the firehouse on West Hanover Avenue! Interested in tickets? Contact any Shongum Mountain firefighter, call 973-895-3719 and leave a message, or send an email to info@shongumfire.com.

Sunday, October 20th – Pancake Breakfast
Breakfast will be served from 7:30 a.m. to 11:30 a.m. at Randolph Chemical Engine Company No. 4, located at 331 Dover Chester Road.

Sunday, November 24th – Annual Christmas Tree Fundraiser
Support Company No. 2 by purchasing your Christmas tree during the annual sale through December 24th (closed on Thanksgiving Day). Hours are Monday-Friday 2:00 p.m. to 9:00 p.m., Saturday 9:00 a.m. to 9:00 p.m., and Sunday 9:00 a.m. to 6:00 p.m. at the Millbrook Fire Company 2 on Route 10 West.
Diverse Backgrounds, Shared Goals, Community Commitment

In every Randolph Quarterly the Squad article concludes with the words: JOIN US! What could possibly prompt a person to join the Randolph Rescue Squad (RRS)? The responses and the people are unique. Our 50+ years of volunteer service have depended upon people of widely varied backgrounds. What brings us together is most often expressed as “I want to help my community”. Here in Randolph, ordinary people are quite capable of becoming extraordinary citizens.

Who joins? Men and women of all ages – new arrivals and seasoned residents – parents, children, siblings, aunts, uncles, grandparents – students, retirees, friends, employees in all kinds of businesses and occupations – individuals ready to learn. Despite differences, their willingness to take EMT training is a major unifying factor.

For example, an EMT employed in an urban community moved to Randolph with his family; he decided to become an RRS member, too. While away at college, several local students joined their campus squads; now they are active RRS members. A few members had some first aid experiences while serving in the military. Junior members (high school age) quite often consider careers in the medical field (nurses, doctors, techs, assistants, etc.); participation as an RRS member helps them solidify their decision. A former lifeguard witnessed a near-drowning at a local lake; he was inspired to join RRS by the volunteer EMTs who treated and then transported the victim to the hospital. Several years ago, a young mother decided to improve her self-confidence by enrolling in EMT training with the Squad; she ultimately realized her high school dream of becoming a nurse, while remaining a member of RRS. One parent stood by watching his teenage son’s best friend receive a life-saving dose of Narcan; that father and son decided to enroll in EMT training.

More than one Randolph family has had the traumatic experience of seeing their own child in critical medical circumstances when, thankfully, the RRS arrived and provided the essential emergency care and transportation to a hospital. Those individuals also became members. RRS will welcome you as well. JOIN OUR TEAM!

Also, we offer sincere thanks to the many Randolph residents and businesses who support the Squad. We are grateful for your donations, communications, and assistance, etc.); participation as an RRS member helps them solidify their decision. A former lifeguard witnessed a near-drowning at a local lake; he was inspired to join RRS by the volunteer EMTs who treated and then transported the victim to the hospital. Several years ago, a young mother decided to improve her self-confidence by enrolling in EMT training with the Squad; she ultimately realized her high school dream of becoming a nurse, while remaining a member of RRS. One parent stood by watching his teenage son’s best friend receive a life-saving dose of Narcan; that father and son decided to enroll in EMT training.

RRS congratulates Junior members Kaitlyn Attinello, Brian Danhardt, Julia Einfeldt, George Houston, Jake Iantosca, Ryan Knox, Luke Scanzera, and Josh Zitomer upon their high school graduation. Their service has been greatly appreciated.

Contact us:
- Dial 9-1-1 in an emergency.
- To learn more about the RRS or to complete a membership application, visit our website at www.randolphrescue.org.
- To arrange for stand-bys at athletic and other community events or for information about training classes, call Captain Todd Houston at 602-881-3929 or send an email to captain@randolphrescue.org.
- For other questions, send an email to info@randolphrescue.org.
- To reach RRS President Stephen Jancarek, email Steve.Jancarek@randolphrescue.org.

Randolph Rescue Squad
www.randolphrescue.org

Randolph Township and Morris County offer many ways for you to be contacted in the event of severe weather or other emergencies. Please review the communication media outlined below, and if you are not already connected, please follow the instructions provided to make the necessary connections.

Morris County services:
Smart911 – allows residents to create a safety profile for their household that includes vital information that you want 9-1-1 call takers and emergency responders to know.
Alert Morris – allows residents to receive emergency alerts by whatever method of communication they prefer – email, text, phone, or social media.

Randolph Township services:
Township Website – www.randolphnj.org – emergency notifications right on the homepage.
Swift911 – allows residents to receive emergency notifications by their method(s) of choice – email, text, or phone (both landline and cell). Sign up by visiting the township website.
Social Media – emergency information is posted on Facebook and Twitter. Follow us on Facebook (Township of Randolph) and Twitter (@RandolphNjHosp).

To find out more detailed information on these notification systems, please visit the homepage of the township website at www.randolphnj.org, under News.

The Historical Society of Old Randolph invites the public to visit the Randolph Museum, take a bus tour of historic Randolph, and enjoy our Annual Holiday Reception

The Historical Society of Old Randolph (HSOR) is as busy as ever this fall. Upcoming events include the annual fall bus tour of historic Randolph and participation in the Morris County Pathways of History Weekend Tour. We will also hold our annual Holiday Open House reception and welcome citizens, scout troops and other organizations to tour the Randolph Museum.

As overseers of the Randolph Museum, we have joined with other historical societies in the county and will open the Randolph Museum for a special Pathways of History Weekend on September 22 from 12:00 p.m. – 4:00 p.m. This is a county-wide event with many museums and historic homes participating. The visitors to the Randolph Museum learn about what life was like in Randolph centuries ago. Township Historian Gail Hani will be present some of the time to share her vast knowledge. Gail, who authored the book “Randolph - images of America, is also the president of the HSOR. Docents will be available for guided tours through home, industry, resort era and education exhibits. You can check out our exhibit at the Morris County Library or visit the township website for more information.

The final Randolph Reminiscences program of the 2019 season is scheduled for Monday, October 21. These popular, well-attended programs are held at the Randolph Museum on Millbrook Avenue at the entrance to Freedom Park. Each features a guest speaker who leads a discussion about what life was like in Randolph “in the old days”. Wally Reed has tentatively agreed to present information on his River Game Farm on Pleasant Hill Road. Come early! These programs begin promptly at 7:00 p.m.

The fall bus tour of historic Randolph will take place if enough interest is shown. The bus leaves from the Municipal Building parking lot at 2:00 p.m., and seating on the bus is on a first-come-first-served basis. The two-hour tour includes sites throughout the township. Admission is $5 for adults and teens and $2 for children under 12. Visit the township website at www.randolphnj.org for more information or email hsor@juno.com. Please let us know if you would like to attend and how many people will be in your party. We hope to offer the tour on a Saturday in October; however, we will not proceed if your interest to participate is not known.

Be sure to join us for the HSOR’s annual Holiday Open House at the Randolph Museum from 12:00 p.m. – 4:00 p.m. on Saturday, December 7. Live music, light refreshments, and friendly conversation will help enhance the holiday season for all who attend.

Although the Randolph Museum will be closed on Sundays beginning in November and throughout the winter months; special tours can be arranged by calling 973-999-7095 or by emailing hsor@juno.com. You may also contact us via email if you wish to be included on the HSOR email list. To learn more about the history of Randolph, the HSOR, and the Randolph Museum, please visit the township’s website and our Facebook page (Randolph Museum).
ADDAMS FAMILY the MUSICAL
Music and Lyrics by Andrew Lippa
Book by Marshall Brickman & Rick Elice
Directed by Ray Gelpke
October 4, 11 and 18 at 8:00 pm
October 5, 12 and 19 at 5:00 pm
October 6 and 13 at 2:00 pm

Directed by Colleen McArdle
December 6 and 13 at 7:00 pm
December 7, 14 and 15 at 2:00 pm

Buddy, a young orphan, mistakenly crawls into Santa's bag of gifts and is transported to the North Pole. The would-be elf is raised unaware that he is actually a human with an enormous size and poor toy-making abilities cause him to face the truth. With Santa's permission, Buddy embarks on a journey to New York City to find his birth father and discover his true identity. Faced with the harsh reality that his father is on the naughty list and his stepbrother doesn't even believe in Santa, Buddy is determined to win over his new family and help New York remember the true meaning of Christmas.

Sunday, October 20

**Nina et Cetera: Celebrating Thanksgiving**
Sunday, November 24

**Holiday Music**
Sunday, December 8

---

**A Good Library is Not Just About Books**

The Randolph Township Library has established itself as a community gathering place and collaborative partner to a multitude of local organizations.

- **Programs:** A wide variety of programs are held at the library. Topics include music, public affairs, food, local history, education, travel, book clubs, storytimes, and other cultural events.
- **Meeting space:** The library has three meeting rooms available to local non-profits and individuals. Current users include local homeowners associations, scout groups, school groups, Toastmasters, Literacy Volunteers of America, and individuals on a first-come, first-served basis.
- **Work space:** Free Wi-Fi is available along with tables and seating.
- **Student connections:** Library staff host field trip visits from local nursery schools and kindergarten classes. Students from the high school transition program volunteer regularly.
- **Art:** The library has a Water Wall Gallery that displays monthly exhibitions of local artists’ work. The walls are decorated with many photos of Randolph taken by our residents.
- **Local organizations:** The Randolph Community Garden Committee held a meeting and lecture in the meeting room; the Municipal Alliance Committee also held an educational program for parents. The second annual Arts in the Park event was held in April.

---

**www.randolphnj.org**
The Department of Public Works will begin the township’s annual Leaf Collection Program at the end of October. The specific information by district can be found in the graphic on the right.

- Residents, landscapers, contractors, and lawn services may place loose leaves at the curb.
- Leaves should be placed only in locations on the property ten or more feet from any storm sewer inlet on the street.
- Only leaves should be placed at the curb; brush, grass, rocks and any other materials should never be included with the leaves.
- Leaves cannot be placed at the curb any earlier than seven days prior to the week of the scheduled collection date.
- Leaves need to be placed at the curb prior to the Saturday in which your district is scheduled to begin pick up.
- Residents are urged to dispose of leaves on their own properties whenever possible since the stormwater regulations instituted by the state make it necessary to reduce the volume of leaves placed at the street.
- Blowing leaves into wooded areas, placing leaves on acid loving plants such as pachysandra, or creating backyard compost piles will minimize costs associated with the collection and trucking of the leaves to a compost facility outside the township limits. Such disposal in wooded areas or on acid loving plants is also beneficial to properties.
- Placing leaves and other yard waste on township parkland and open space is not permitted and is a violation of state regulations.

Violations of any of the above requirements will continue to be enforced by the Health Department and could result in a court summons being issued.

For residents who prefer to bag leaves instead of waiting for their district’s scheduled collection, the Department of Public Works will collect leaves placed in bio-degradable bags on Mondays. To schedule a Monday collection, please call the Engineering Department at 973-989-7066 by 3:30 pm on the prior Friday. This service is offered as a courtesy to residents.

Water & Sewer Project Update

The Water & Sewer Department closed out some projects that started at the end of 2018 and is beginning some new projects in the coming months.

The Meadowbrook Road water main replacement project was completed earlier this year. Phases 1 & 2 of the Meadowbrook Road curb replacement and repaving project were completed in August. The plans and bid documents are currently being prepared for Phase 3 of this project, the portion of Meadowbrook Road between Butternut Road and Old Chimney Road. The project is scheduled to go out to bid in the fall with completion anticipated by the end of the year.

The Butterworth sewer improvement project was completed with the installation of a sanitary sewer pump station and sanitary sewer lines within Jason Lane, Nuko Terrace, Old Shumpike Road, and Carellen Place. Many properties have since connected or are scheduled to connect to this new sanitary sewer system.

Bids have been received for the construction of sanitary sewer lines within Woodlawn Terrace and Shuman Road which will connect to the existing sewer line in Brookside Road. Construction of this project is expected to begin in this fall.

Finally, the Water & Sewer Department is preparing plans and specifications for improvements to the existing pump stations located in the Meadowbrook Road area and the County College of Morris. Improvements will include pump replacements and upgrades to equipment and overall infrastructure. Plans, specifications and permitting are scheduled to be completed by the fall with construction slated for early 2020.

Bulk Trash Collection Week

The fall bulk trash collection will take place the week of September 23. This service is offered once in the spring and once in the fall. Please note the collection is simply an extension of your one-item-of-bulk-trash per weekly curbside trash collection. Recycling items (i.e., metal, paper) and prohibited items (i.e., waste building material, items weighing more than 200 lbs.) will not be picked up during the bi-annual bulk collection and weekly curbside trash collection. Please place bulk items at the curb prior to 6:00 a.m. on the prior Friday. This service is offered as a courtesy to residents.

Fall Clean Communities Day

Saturday, September 28

Clean Communities Day will be held on Saturday, September 28 from 8:30 a.m. to 1:00 p.m. beginning at the Municipal Building located at 502 Millbrook Avenue in Randolph. Clean Communities Day is sponsored by the New Jersey Clean Communities Council and the Randolph Township Health Department. All residents, businesses and groups are welcome to join the community as hundreds of people pitch in to help keep the township’s parks, schools and streets free of litter and recyclables.

Check-in begins at 8:30 a.m. with an appreciation continental breakfast and distribution of instructions, assignments, t-shirt, gloves, and garbage bags. Mini-grants are available for civic groups. Pre-registration for Clean Communities Day is required by September 20. Call the Health Department at 973-989-7050 to sign up.

Paper Shredding Services

Saturday, September 28

As part of Clean Communities Day, the Health Department will once again provide confidential paper shredding services to residents for their personal confidential documents, free of charge, at the Municipal Building between the hours of 9:00 a.m. and 12:00 p.m. Please note that the service is:

- For Randolph residents only
- For only personal, confidential documents generated in the home (not commercial or home-business generated)
- Limited to 3 file boxes per household (file box=1.5 cubic feet)
- Not for junk mail and store flyers or solicitations
