See the night sky light up! Plenty of parking – $5 per car.
If fireworks are cancelled on July 1, the rain date will be July 2 for fair and fireworks, the parade marches rain or shine.

Join the Randolph Lake, Join the Fun!

The Parks and Recreation Department is prepared for another exciting year at Randolph Lake! Prior to the start of the 2017 season, the facility received a face lift. Renovations to the building include new siding and windows, and repairs to the roof; all have helped to restore and beautify this wonderful summertime facility.

Swimming and lounging on the beach are not the only things happening at Randolph Lake! There are late night swims every Thursday evening from July 6th to August 10th, a full schedule of swim lessons, an amazing swim team, and many other activities offered throughout the summer. If you prefer to be on the water instead of in it, we offer daily boat rentals. Adults can enjoy an open water swim every Saturday, and certified scuba divers can sign up with the online Community Pass system to dive on Saturday mornings. Every Wednesday during July, and most of August, Artworks Studio hosts an art program at the lake. Lake members can sign up weekly to participate in this program.

Memberships are available for families, couples, and individuals; senior citizens can sign up for free. Membership prices are as follows: Resident Family $130; Resident Couple $105; Resident Individual $70. Non-residents may also purchase memberships at a slightly higher cost. For daily entrance fees and guest fees, please visit the township website. On weekends, the facility is open only to Randolph residents or members and their guests. Each family member should always bring their ID and membership badge.

Randolph Lake membership may be obtained online at www.randolphnj.org, by clicking on “Parks and Recreation”, or by stopping in at the lake office. All badges will be distributed at the lake. If you have badges from last year, they are reusable and will be updated when you register.

**RANDOLPH**

**RANDOLPH in brief...**

**A Message from the Mayor**

Dear Randolph Residents,

Summer is finally here, and many of us will be enjoying much-deserved vacations and trips to the beach over the next few months. However, let’s not forget to take advantage of all that Randolph has to offer.

- The Randolph Library hosts many events during the summer months, including an outdoor concert series, and the very popular summer reading club.
- The Randolph Museum, located at Freedom Park, is open from Tuesdays 1 p.m. to 4 p.m. and includes many interesting artifacts from life in and around Randolph. The museum also includes information about schools, home life, local industry, farming, and the Mt. Freedom resort industry. The Historical Society of Old Randolph also holds several special events at the Museum.
- TheRandolph Park and Recreation Department offers many fun opportunities during the summer, including day camps, teen travel camp, and Summer Stages theater camp at Brundage Park Playhouse, and numerous sports clinics.
- Visit one of Randolph’s beautiful parks to enjoy a sporting event, play tennis, hike, or just relax on the playground. Plans to develop a new park on Calais Road are underway. The Township Council has awarded a contract for the design of the new park, and plans should be available later this year.
- Take a stroll through the 16 miles of trails that wind through Randolph. The Township Council is planning further improvements to these valuable community resources.

**WATER CONSERVATION**

The Township of Randolph performs a detailed leak detection/repair audit on the entire water distribution system, and all customers are strongly encouraged to conserve this vital resource. Water conservation is the first step in protecting our water supply.

**Tips for inside your home:**
- Repair leaking faucets, pipes, toilets, etc.
- Replace old fixtures, install water-saving devices in faucets, toilets, and appliances
- Wash only full loads of laundry
- Take shorter showers
- Do not let water run while shaving or brushing teeth
- Soak dishes before washing
- Run dishwasher only when full

**Lawn Watering Restrictions**

In a continued effort to conserve water, the township has implemented lawn watering restrictions from May 1 through September 30 of each year. The Randolph Township Water Department will be aggressively enforcing lawn watering restrictions. The following schedule for lawn watering is in effect for residential properties served by public water.

- Watering of properties having even numbered street addresses shall be permitted on the even numbered days of the month
- Watering of properties having odd numbered street addresses shall be permitted on the odd numbered days of the month
- No watering shall be permitted on the 31st day of the month
- Watering on the above days shall be permitted during the hours 5:00 am to 9:00 am, and from 5:00 pm to 9:00 pm

For more detailed information, please visit the township website: http://www.randolphnj.org/news/lawn_watering_regulations_2017

**MARK YOUR CALENDAR!**

- **September Recycling Collection...**
  - **2nd week – week of September 11th**
  - **4th week – week of September 25th**

**TOWNSHIP PARTNERS WITH SCHOOL DISTRICT ON LAND ACQUISITION**

In cooperation with the Board of Education, the township is purchasing the residential property at 565 Millbrook Avenue. The property is surrounded by school campuses, and it was determined, after discussion with the Board of Education, that it would be in the best interest of the community to acquire the property. The township will purchase the property at the negotiated sale price of $335,000 on behalf of the Board of Education.

The township will fund the purchase utilizing surplus revenues. The board will reimburse the municipality for the purchase cost, and the interest the funds would have earned as surplus over a five-year period. Upon payment in full, title will be passed to the school district.

The partnership on this acquisition continues a long-standing cooperative spirit between the two municipal agencies. Past projects have included the acquisition of the former Millbrook Barn property (converted into an athletic field and parking area), the Bushnell property (converted into district office space), the shared Public Works Facility and Transportation Headquarters for the School District, and the partnership to install fiber-optic cable serving school and municipal facilities.

The Board of Education plans to convert the residential structure at 565 Millbrook into a satellite facility to support educational activities. Further details on the district’s plans will be announced at a future board meeting.

**RANDOLPH Quarterly**

www.randolphnj.org
The adopted budget calls for an appropriation fund infrastructure improvements throughout the township. Other budget highlights include:

- Funding towards the design of the proposed Calais Road park facility.
- Support for the policy change in the curbside leaf collection program (allowance for the use of contractors).
- Funding for the reimbursement of an ambulance.
- Funding for the upgrade of athletic field lighting at Heisten Park.
- Continued support for the maintenance of municipal facilities and regular replacement of police and public works vehicles and equipment.
- An overall revenue-expense plan designed to maintain the township’s AAA rating and the organization’s long-term fiscal stability.

The adopted budget calls for an appropriation of $31,923,355 for municipal operations. This represents a 1.73% increase, or $543,349, from the 2016 budget. In 2016, the average residential property was assessed at $335,000. In 2017, the post-revaluation average residential property is assessed at $437,500. The combined tax rate (Municipal, Municipal Library and Open Space/Recreation) in 2017 will be $5.509. Applied to the post-revaluation average assessed value, the average residential property taxpayer will pay $2,479.89 in municipal taxes in 2017, or $21.55 less than in 2016. However, those property owners whose property values increased in excess of the average township-wide property assessment will see an increase in their municipal taxes, not because of the adopted municipal budget, but due to the valuation change.

The adopted budget also includes funding for the water and sewer utilities. The township maintains separate accounts from the general municipal operation for the water fund and the sewer fund; both entities are self-sustaining. The 2017 water budget totals $3,615,891; the 2017 sewer budget totals $4,346,501. The combined budget of $7,962,392 contains funding in support of the daily operation of the two utilities, as well as for capital improvement planned for both the water and sewer infrastructure.

To learn more about the township’s 2017 municipal budget, residents are encouraged to visit the township website or contact the Finance Department at (973) 989-1045.

Mosquito Control: What You Can Do

Mosquitoes can transmit a variety of different viruses including those of recent concern, the West Nile virus and the Zika virus. To protect yourself from mosquito bites, wear long-sleeved shirts and long pants, be sure they cannot enter your home through gaps next to air conditioners or holes in window screens, and use EPA-registered repellent according to label directions. Since mosquitoes breed only in water, and must have water for at least five days to complete their development, be sure to eliminate any standing water. Mosquitoes are most attracted to foul water that has grass clippings, dead leaves, and decaying organic matter. Therefore, do not throw leaves or grass clippings into streams or ditches. Empty outdoor items such as bird baths, pet dishes, flower pots, unused wading pools, containers, and clogged rain gutters.

For more information on mosquitoes, and how to avoid mosquito-related health issues, visit: https://morriscountynj.gov/mosquito/

The Randolph Township Health Department has the information you need, courtesy of the Morris County Division of Mosquito Control. The Asian Tiger Mosquito display will be appearing the week of July 3-7 in the foyer of the Randolph Township Municipal Building, located at 502 Millbrook Ave.

A LETTER FROM THE SUPERINTENDENT

Dear Randolph Community,

With the 2016-2017 school year coming to a close, I want to express my appreciation for our learning community’s support. We have exceptional students, committed families, talented professionals, and a dedicated board working together to enhance our reputation as a superior school district. Our professionals believe in a well-rounded educational experience for every student. We strive for academic excellence, and are proud to offer students exceptional opportunities in the arts, athletics, and clubs. The school district is committed to providing students an authentic and engaging experience. At every level, we continue to offer student-centered learning opportunities by encouraging critical thinking and deeper learning. Our model for professional learning provides teachers with access to curriculum-specific experts in the field, classroom coaching, and plenty of opportunities for teachers to educate one another.

At the elementary level, students receive daily opportunities for hands-on discovery, problem-based learning, goal-setting, and reflection. We are growing leaders within our staff, and also among our students. In our middle school, innovative cycle courses continue to be added every year. Middle school teachers have also embraced interdisciplinary learning; this allows students to complete project-based learning opportunities that incorporate multiple classes. Randolph High School teachers have made a focused effort to continue innovative practices related to assessment. Regular formative assessment, and performance-based assessments, are administered to reinforce class content while allowing opportunities for students to integrate their lessons and their life skills. Advanced Placement courses will expand, with new courses such as American Government and Politics, Human Geography, and Spanish Literature and Culture.

Randolph students continue to excel in these Advanced Placement courses, with the district being named to the seventh annual AP Honor Roll. And last, but not least, as the district expands its world language offerings, the staff is excited to offer Mandarin Chinese beginning in September.

In addition to the school district’s many accomplishments, we have a lot of work to do this summer. I am extremely excited about the partnership with the township, as we look to acquire additional learning space on Millbrook Avenue. As this project develops, updates will be provided at board meetings, as well as on our website at www.rttnj.org. We look forward to a busy summer as we continue to build life-long learning opportunities for all.

Jennifer Fano
Superintendent

RANDOLPH QUARTERLY
The Randolph Rescue Squad is celebrating 50 years of providing EMS for the community. And, like the squad itself, the Freedom Festival continues to be an important community tradition. RRS is again proud to be marching in the 2017 Freedom Festival parade and standing-by during the fireworks. The festival, sponsored by Kwanis, includes the new four, a truck event which includes our ambulances. You and your whole family will meet our diverse group of squad members, the dedicated volunteers who are your friends and neighbors.

Randolph Police News

If You See Something… Say Something

Suspicious Activity Phone Calls From Residents to Arrests

In 2016, the Randolph police responded to approximately 650 reports of suspicious activity. While the vast majority of the incidents turned out to be innocent, the calls helped to identify criminal activity and sent a message to unsavory persons that Randolph residents were alert. Two such suspicious activity calls resulted in arrests. One alert resident noticed activity in a neighbor’s home after police arrived to investigate, officers determined that youths were in the home. Another citizen notified police of possible criminal activity – stealing from unlocked vehicles. After a prompt response, officers were able to apprehend and charge the suspects.

The success of the Randolph Police Department is enhanced by the active involvement of the citizens of Randolph. When suspicious activity is reported, it not only aids the Police Department, but it makes your neighborhood a safer place in which to live and work.

What Is Suspicious Activity?

Suspicious activity is any occurrence that is out of the ordinary in your neighborhood. Often, people notice something suspicious but don’t call the Police Department because they assume someone else has called. Don’t assume! Make the call – if the suspicious activity has already been reported, the radio dispatcher will tell you it’s okay if you call the police and you were wrong, you will not be in trouble. Your role as a concerned citizen and good neighbor is to report whatever you think is unusual or suspicious. Be prepared to report suspicious activity by keeping the phone number of the Randolph Police Department (973-989-7000) by your phone. Call 9-1-1 if it is a life threatening situation, or if you need immediate assistance from the police, fire, or rescue squad.

Try to remain calm and avoid taking any risks. Your safety, and that of your loved ones, is important. To preserve evidence, always stay away from a crime scene. When reporting suspicious activity, remain calm and provide as many of the following facts as you have available:

- What happened?
- Where and when did it occur?
- Is anyone injured?
- Description of vehicle(s)
- License plate number(s)
- Time and direction of travel of suspect(s)
- Description of suspect(s), including clothing

While it may seem as though you are being asked a lot of questions, the dispatcher is attempting to gather as much information as possible about the situation so the officers will have a clearer picture of what they may encounter when they arrive at the scene.

Fire Department Offers Outdoor Electrical Safety Tips

- Use lighting and power tools that are listed by a qualified test laboratory and ensure they are listed for outdoor use.
- Store all electric tools indoors.
- Keep tools away from children.
- Extension cords are not meant for long term use. All cords should be listed by a qualified test laboratory, marked for outdoor use, and free of damage. Damaged cords should be replaced right away.
- Keep the area clear around your electric meter and other electrical equipment. If there are tree branches impacting the wires to your house, have a professional tree service remove the branches.
- Keep all ladders at least 10 feet away from power lines, and use wooden or fiberglass ladders when possible.
- Never touch anything or anything in contact with a downed wire. Treat all downed lines as live wires. Stay a safe distance away, and notify the Police Department immediately.

Miniature Motor Vehicles

In the last couple of years, hoverboards, motorized scooters, and motorized skateboards, have become increasingly popular. The question asked by most people is if they are allowed on the street or sidewalk in their neighborhood. The standard hoverboard, available in retail stores, is allowed on the roadway and should follow all the rules that are applied to bicyclists. However, the operator must be 16 years or older, and must wear a helmet. Most of the commercial hoverboards, mini-bikes, and similar non-conventional motor vehicles are not permitted on any public street or sidewalk. They are also prohibited from being ridden on public property or land. They are allowed on private property, provided they have consent from the owner of the property.

These laws should not be taken lightly. If an operator of a vehicle motorized scooter, or similar miniature motor vehicle, is found in violation, they will be subject to a minimum fine of $100 and seizure of the vehicle. A fine of up to $750, forfeiture of the motorized scooter vehicle, and up to 56 hours of community service can be assessed by the court for a third or subsequent offense. The operator may also be in violation of other motor vehicle traffic laws, and face summations for these infractions, depending on the equipment utilized.

Randolph Rescue Squad - Summer Time is Freedom Festival Time

The Randolph Rescue Squad is part of the ‘bigger picture’ in life.” Brand new member Ashley D (2017) is happy “Being part of the community, making a difference, and being part of the ‘bigger picture’ in life.” Several junior corps members, including Megan H (2016) and Bailey S (2016), share an interest in preparing for careers in the medical field; through the RRS junior program, they are gaining both an introduction and more experience before beginning their higher education. Looking back on his 20+ years of active service, life member Harold K (1996) recalls, “Back then, and still today, I wanted to help others. It has been good getting to help lots of people as well as meeting many other RRS members.” Similarly, Helen R (1988) reflects, “I enjoy my friends on the Squad and ... I still want to give back to my community.” Summing it all up, soon-to-be-life member Adam G (2007) remarks, “I first started riding as an EMT while I was in college more than 20 years ago ... now, the best thing is knowing I can be helpful when people need it most.” It is quite obvious that members of the RRS have discovered that there is great satisfaction in serving this community. We suggest that you, too, think about becoming a member of our wonderful team.

Randolph Township Police Officer of the Year 2016 – David Spence

Officer Spence possesses all of the attributes associated with being Officer of the Year. He consistently displays a high level of professionalism, he is a well-rounded and balanced individual, who always displays a positive attitude.

If you have any questions, please send us an email at info@randolphrescue.org. We welcome your feedback andinput.
**PARKS, RECREATION & COMMUNITY SERVICES**

**TRACK AND FIELD; SPEED AND AGILITY**
Children currently in Grades 2-12.
July 3-7 (off 7/4); 9am–12pm $85

---

**SUMMER SPORTS CLINICS – GENERAL INFORMATION:**
- All clinics are designed to teach basic and advanced skills in a fun and relaxed environment
- Grades listed refer to the 2016-2017 school year
- All fees are non-refundable unless a program is cancelled for lack of participation; no partial refunds due to inclement weather
- If possible, an attempt will be made to make up the missed sessions; however, there is no guarantee.
- All summer clinic participants receive a t-shirt
- Most head instructors are, or have been, high school varsity head coaches
- Assistant instructors are college and high school coaches and players

**SWIM LESSONS**
Randolph Park offers the National Safety Council “Learn to Swim” Program. This program teaches aquatic and safety skills in a logical progression. Children must be four years old by September 30, 2017. Fee: $55 per child. Registration is every Saturday, 11am to 2pm, at Randolph Park.

**SWIM TEAM**
Children ages 6-18. The team participates in the North Jersey Regional Lakes League, and will have at least eight meets throughout the summer. All ages compete at their age level. Fee: $45 per child. Register online any time, or in person every Saturday 11am to 2pm at Randolph Park. Applicants for swim team will be tested at Randolph Park prior to placement. If unable to meet basic requirements for swim team, fee will be applied to swim lessons.

**RECREATION SUMMER DAY CAMP**
Summer Camp for children who have completed grades K-5. There are still openings for this summer. This Day Camp takes place at Ironia School, and will run from June 27-August 5. The administrative staff, and new director, are all certified teachers. New equipment, and age appropriate activities, are all part of this year’s Randolph Day Camp experience. We offer both indoor and outdoor facilities, water activities, trips, and special entertainment/activities scheduled every Friday. Pricing for the camp includes all trips and special activities. We want you and your child to enjoy your “summer vacation” in Randolph! There is not a less expensive way to give your child the summer fun they want! The flexibility of being able to register week by week, with early drop off and late pickup, makes it the most convenient camp in the area. If you register your child for three or more weeks, you will receive a $15 registration discount per week. In addition to the special trips listed below, the campers will go bowling, miniature golfing, and swimming.

**Week 1: June 26-30**
- Grades K-3: Land of Make Believe
- Grades 2-5: Trampoline Trip
- Special Event: Ice Cream Social

**Week 2: July 3-7**
- No camp July 4
- Grades K-3: Bowercraft Amusements
- Grades 2-5: Mt. Olive Carnival
- Grades 4-6: Mountain Creek
- Special Event: Aunt Selma’s Candy Creations

**Week 3: July 10-14**
- Grades K-3: FunPlex (indoor and water park)
- Grades 4-6: Laser One/Hacketstown Pool
- Special Event: Planetarium/Camp BBQ

**Week 4: July 17-21**
- Grades K-5: Camelbeach
- Special Event: Camp Carnival/Inflatables

**Week 5: July 24-28**
- Grades K-5: Dorney Park
- Special Event: Weather Workshops

**Week 6: July 31-August 4**
- Grades K-5: Movie/Hacketstown Pool
- Special Event: Water/Laser Tag and Camp Variety Show

**RECREATION DAY CAMP TRIP WEEK**
Current Grades 2-5
This one-week extension camp will run from August 7 – 11, and will provide full day trips for registered participants. Planned trips include: Camelbeach, Mountain Creek, i-Play America, Bowling/Movie, and Great Wolf Lodge. Registration is limited. Fee $250 per camper.

---

**Senior Programs & Events**

**TRANSPORTATION SERVICES**

**Shopping Bus**

Come see what you’re missing...

THE TOP TEN REASONS TO VISIT YOUR LIBRARY!

1. Visiting your library is an adventure! You never know what you might discover, who you might meet, what new hobby you might decide to try, or what you might learn.

2. Your library has free stuff! Take advantage of all kinds of entertainment, cultural events, lifelong learning, and help and resources for school assignments.

3. Children love the library! It’s chock-full of kid-friendly activities, including game computers, a puppet theater, a Lego/train table, and much, much more. Leave with an armload of books, DVDs, music and magazines, all at no cost to you!

4. Your library is an amazing resource, made even better by a knowledgeable staff committed to customer service. Let us help you find your next great read! Use our online resources, at home or in the library. Did you know we have both online and paper copies of Consumer Reports? Other online databases include: HeritageQuest, Rosetta Stone and the Small Business Reference Center.

5. Computers, copiers, and scanners, oh, my! Your library has free WiFi, 26 public computers with internet access, and four PCs with Microsoft Office, plus a scanner, printer, and public fax service.

6. Books! Books! Books! Your library has a large selection of books and audiobooks. If we don't own something, we can request books from other libraries for pickup in Randolph. We also offer downloadable e-books and audiobooks.

7. Your library has current DVDs and Blu-rays to borrow. Plus we have many classics, informational DVDs, travel-related DVDs, and more!

8. Your library has magazines to browse, borrow or read online. We also have many newspapers, including The Randolph Reporter, The Star Ledger, The Daily Record, The New York Times, USA Today, and The Wall Street Journal.

9. Your library is comfortable! We have lots of seating and tables in each of the reading areas. We also have dedicated spaces for young people in the Teen Zone and the Children’s Room. And, we have meeting and study rooms available, too.

10. Your library offers free programs for all age groups. Adults can enjoy concerts, book clubs, lectures, and more! The younger set can enjoy a host of programs with kid appeal. This includes storytimes, book clubs, puppet shows, educational programs, magic shows, live animal shows, etc. You can sign up for weekly email blasts to stay informed about our events.

There are various classes to choose from. For more information about specific classes and availability, visit www.randolphnj.org and select the Parks and Recreation tab. Like us on Facebook, ARTWORKS STUDIO RANDOLPH NJ, to keep up with events, view student artwork, and more!

The Historical Society of Old Randolph Welcomes You to the Randolph Museum

The Randolph Museum is open for the 2017 season. Come learn a bit about Randolph life the way it was used to be. To give visitors a better idea of what life was like long ago, there are exhibits such as home, industry, resorts, and education. The museum is open every Sunday from 1:00 to 4:00 PM, and is also open by appointment for scout troops, schools, and anyone else who would like a private tour. To arrange for a special tour of the museum, please email hsor@juno.com or call 973-989-7095 and leave a message.

If you missed the spring bus tour, The Historical Society of Old Randolph will offer an October bus tour of some of the historic sites in our township. Watch for more details in various media, including the fall Quarterly.

Attend a Randolph Reminiscences program to hear first-hand accounts of how life once was in Randolph. These popular programs feature long-time residents sharing their memories of our township. Upcoming Randolph Reminiscences programs will be held at the Randolph Museum on Millbrook Avenue at 7:00 PM on Monday, June 19 and Monday, August 21. The public is invited to attend, free of charge.

The annual Gismos and Gadgets/Peach Social is scheduled for August 13th. It offers a chance for visitors to view special exhibits at the Randolph Museum, and to enjoy locally grown peaches while sipping peach punch.

If you have any special requests or wish to schedule a private tour of the museum, please email hsor@juno.com or call 973-989-7095 and leave a message.

Brundage Park Playhouse
Have you been to a production at your local theater? There is great talent right around the corner at Brundage Park Playhouse on Carrell Road! Whether it’s date night, or family time, be sure to get tickets to one of the upcoming productions. We think you’ll be impressed!

ADULT PROGRAMS

ADULT SUMMER READING PROGRAM
Randolph residents are invited to participate in the library’s Adult Summer Reading Program from Saturday, June 21 through Friday, August 4. Each week, participants who visit the library will fill out a raffle slip for each book or audio book they have completed. On each of the six Fridays during the program, raffle slips will be drawn for a variety of gift certificates. The more books you complete, the greater your chance to win a trip to the Reference Desk to register and submit raffle slips!

FREE SUMMER MUSIC SERIES
Bring your lawn chairs, blanket, and picnic basket and enjoy our outdoor concerts. In case of rain, performances are moved into our program room which seats 150 (chairs provided).

Calling All Teens
The library has a Teen Advisory Board for students in grades 9 and up. Members are involved in recommending age-appropriate materials for purchase, program development, and other related activities. Interested teens may submit an application on our website or contact Ms. Ort at the library.
**Take the Confusion Out of Building Permits – Summer Focus**

Summer is upon us, and the outside is calling. As summer projects demand your attention, make sure you are keeping up to date with your building permits to avoid a headache in the future. Permits ensure that work on your property is done to code, and is safe. Further, if trying to sell your property and work is found that has been done without a permit, the closing of sale will be delayed until a proper permit is attained, and may even result in the loss of sale. For your reference, a list is published on www.randolphnj.org clarifying when a building permit is needed. If you have additional questions, please contact the Building Department at 973-989-7070.

In the summer heat, the most tempting projects involve pools, decks, sheds, and fencing. Below are the factors to keep in mind when considering these outdoor projects.

- Any structure intended for swimming or recreational bathing that contains water over 24 inches deep is considered a swimming pool. This includes in-ground, above-ground and on-ground swimming pools, hot tubs, and spas.
  - A building permit must be acquired before construction of a swimming pool.

- An outdoor swimming pool, including an in-ground, above-ground or on-ground pool, hot tub or spa shall be surrounded by a barrier. The following design controls are intended to provide protection against potential drownings and near-drownings by restricting access to swimming pools, spas and hot tubs subject to this code.
  - The top of the barrier shall be at least 48 inches above grade measured on the side of the barrier which faces away from the swimming pool. The maximum vertical clearance between grade and the bottom of the barrier shall be 2 inches measured on the side of the barrier which faces away from the swimming pool.
  - Openings in the barrier shall not allow passage of a 4-inch diameter sphere.
  - Maximum mesh size for chain link fences shall be a 2 1/4-inch square unless the fence has slats fastened to the top or the bottom which reduce the openings to not more than 1 3/4 inches.
  - Pedestrian access gates shall open outward away from the pool and shall be self-closing and have a self-latching device. Gates other than pedestrian access gates shall have a self-latching device. Where the release mechanism of the self-latching device is located less than 54 inches from the bottom of the gate, the release mechanism shall be located on the pool side of the gate.

- The evaluation system condition and the expertise of the Public Works Director and his crew who maintain the roads daily. This program monitors all of the 154 center line miles of township roadways.
  - This year we are budgeted to fund the road program a level very similar to what was expended in 2016. By maintaining this aggregate funding schedule, 29 roads totaling 736 miles, will be resurfaced this year, last year, 43 roads totaling 8.26 miles, were resurfaced. The following roads are tentatively scheduled to be improved this summer.

- Randolph Township Recycling Center
  - 1345 Sussex Turnpike, Randolph, NJ 07869
  - Hours: Wednesday, Thursday & Friday 7 am – 3 pm
  - Saturday 8 am – 4 pm • Sunday 9 am – 3 pm
  - For more information please contact the Health Dept. 973.989.7050 or visit www.randolphnj.org

- Street Sign Replacement
  - Three years ago, the township began a community-wide replacement of all regulatory traffic signs in order to improve the reflectivity and visibility of our signage, as per state mandate. The replacement program included stop, speed limit, yield, and other forms of traffic control signs. To date, three quarters of the township signage has been replaced. The remaining township signage will be replaced in 2017, completing the entire project before the end of the year.

- Upcoming Household Hazardous Waste Event
  - Periodic disposal events are conducted during a few weekends in the spring and fall at sites in Morris County. These disposal days are open to Morris County residents only.
  - Saturday, September 23, 2017, 9am-2pm
  - Public Safety Training Academy, 500 West Hanover Ave., Parsippany

- Computer and TV Drop-Off
  - The MCMUA's disposal days also feature a computer, TV, electronics, e-waste, etc. drop-off for de-manufacturing at the same location. There is no longer a cost for residents to drop off and recycle electronics.
  - For more information, visit www.MCMUA.com or call 973-829-8006.
