2019 Freedom Festival – Thursday, July 4th - Saturday July 6th

Celebrate your 4th of July weekend this year with a Randolph tradition, the annual Freedom Festival. The three-day event, sponsored by the Randolph Kiwanis Club in conjunction with the township Recreation Department, will again be highlighted by fireworks, food, entertainment, and activities for the entire family. Conveniently held at the County College of Morris (CCM), the event is easy to access and features plenty of parking for attendees.

The festival will feature nightly performances by popular musical acts from the area. While you kick back and enjoy the music, be sure to sample food from one or more of the food trucks! And what would a summer festival be without traditional favorites like funnel cake, fried Oreos, popcorn and hot dogs?

The main attractions of this year’s festival will again be carnival rides and activities for kids of all ages. The festival will also feature an exhibitor’s area where attendees can view the work of local artisans and learn more about services provided by the community agencies and vendors.

New offerings this year include a beer garden and a Twilight Freedom 5K Run/1 Mile Fun Walk. The beer garden will be open 6:00 p.m. to 9:00 p.m. each night of the festival and will feature acoustic entertainment. The 5K Run/1 Mile Fun Walk is a fundraiser to benefit the Not-for-Profit Hands to Heroes Foundation which helps veterans and their families. The run/walk is scheduled for Friday July 5th. Online registration is open; for more information please visit www.hands2heroesfoundation.org.

Capping the festival off on Saturday night will be the fireworks display. This year’s display will be bigger and better than prior years!

If fireworks are cancelled on July 6th due to rain, the festival and fireworks will be held on July 7th. In the case of questionable weather, check the home page of the township website for updates.

Freedom Parade
Saturday, July 6th at 12:00 noon – rain or shine

The annual Freedom Parade will kick off at noon on Saturday, July 6th from the intersection of Dover Chester Road and Quaker Church Road (Mount Fern Church). The parade will proceed down Quaker Church Road turning right onto Center Grove Road, crossing Route 10 and ending at the viewing stand located at the festival grounds at the Center Grove Road entrance to CCM. The parade has something for everyone with marching bands, community groups, military units, historical re-enactments and much more. There are excellent general viewing locations along the parade route including the Weis Markets Plaza and CCM. The 2019 Grand Marshal will be Randolph resident Sherry Ross who was a pioneer for women in sports broadcasting, and served for more than 30 years as a radio analyst for the New Jersey Devils. She is also a member of the Randolph High School Hall of Fame.

The longer days and warmer weather of summer are here. Our parks and trails are again filled with activity. We look forward to spending time outdoors, trips to the shore, or perhaps a family vacation at a favorite destination. When planning your summer activities, take advantage of all Randolph has to offer.

- Experience the beautiful beach at scenic Randolph Lake. A multi-year project to renovate the beach house at the lake was recently completed, including a new roof, windows, siding, and composite decking. For more information, including fees and memberships, please visit www.randolphnj.org, Parks and Recreation tab, Beach Membership.
- Take a stroll on one of our many trails. In May, the Trails Advisory Committee implemented way finding improvements to our trail system. These improvements are intended to provide navigational assistance to both trail users and first responders.
- Catch a performance at the Brundage Park Playhouse, currently celebrating its 40th season. Cinderella will be featured in July and the Kid’s Cabaret in August. Visit www.brundageparkplayhouse.org for a complete listing of performances.
- Vissal arts are offered through Artworks Studio. Artworks offers various art classes for ages 3 to adult, as well as a summer camp for elementary school age children.
- Along with the above, our Department of Parks, Recreation and Community Services offers numerous summer programs/sports clinics and manages three active recreation parks where families can enjoy playgrounds, sporting events, or play tennis, pickleball, and basketball.

From the Tax Collector

Tax Sale

The Township of Randolph will hold the annual Tax Sale in the fall of 2019 for tax, water, sewer and other municipal charges which are delinquent from the prior year(s). Therefore, if you have prior year(s) of delinquent charges, please be sure to bring them current to prevent tax sale and a lien being placed on your property. Please call 973-969-7047 for balance.

For general information regarding tax sales and how they work, you should visit http://www.state.nj.us/dca/divisions/fllgs/programs/tax_collector_docs/elements_of_tax_sales_nj.pdf

Property Tax Bills

Property tax bills are mailed once per year in July and are broken into four quarterly payments. The tax payments are due February 1st, May 1st, August 1st, and November 1st each year. However, the township does grant a 10-day grace period for each quarterly payment. Payments must be received in the Tax Office prior to the end of the grace period; postsale notices are not accepted. Any taxes that remain unpaid on the eleventh day after the quarterly due date are considered delinquent. Partial payments and post-dated checks are NOT accepted. The rate of delinquent interest is applied from the actual quarterly due date until the date the payment is received. The rates of delinquent are 8% per annum on the first $1,500 and 18% per annum for any amount over $1,500 until the account is current. Failure to receive a tax bill does not exempt the property owner from paying taxes or the delinquent interest on those taxes. When selling your property, the tax bill MUST be given to the new owner at the time of your closing. For more information regarding tax bills, please call the Tax Office at 973-969-7047.

Automatic Payments

Did you know you can register to have your quarterly tax, water and sewer payment automatically deducted from your checking account? Well, you can! Please download the application(s) at www.randolphnj.org/pdf/auto_tax_payment.pdf for tax payments and www.randolphnj.org/pdf/auto_sewer_water_payment.pdf for water and/or sewer. If you have questions, please call 973-969-7047.

2019 Municipal Budget Adopted with No Tax Increase

The 2019 Municipal Budget was adopted by the Mayor and Council at a public meeting held on April 18th. The budget contains no municipal tax increase for the 3rd consecutive year. Prior to adoption by the body, a series of budget review meetings convened on January 26th, February 7th and February 16th. The sessions consisted of in-depth presentations by Township Department Heads, discussion by the Township Council, and public comment from interested residents.

The adopted budget contains an appropriation of $3,568,204 for municipal operations, which represents a 0.85% increase or $27,035 from the adopted 2018 budget. The budget also contains $8,062,270 for the operation of the Water and Sewer Utility. The Water and Sewer Utility is supported by customer billings and utilizes no property tax revenues to offset operational costs. The adopted budget meets all of the goals established at the outset of the review process: support current service levels while maintaining existing staffing, minimize impact on the municipal tax rate, continue funding for important critical infrastructure improvement projects, and uphold the township’s AAA bond rating.

A number of factors contributed to the approved budget not requiring a municipal tax rate. On the revenue side of the budget, the township benefitted from an increase in its assessed value of 0.54%, which helps to maintain a healthy surplus. Expenses were positively influenced by a conservative spending plan, low debt, intelligent capital project planning, and the sharing of municipal services, all of which helped balance the budget and mitigate tax impact. The budget contains funding for a number of key activities and projects, including but not limited to the following:

- Replacement of Wildland Brush Truck for Fire Department
- The resurfacing of over five miles of municipal roadway (see page 8 for a list of streets scheduled for paving)
- Replacement of lights at Brundage Carrell Field
- Continuation of the Retaining Wall Replacement Program
- Meadowbrook Water Line Replacement Project (final phase)
- Funding for continued improvements to the township’s storm-water management facilities
- Replacement of police & public works vehicles and equipment

For further information on the 2019 municipal budget, residents are encouraged to visit the township website at www.randolphnj.org/government/annual_budget or contact the Finance Department at 973-969-7047.

The Municipal Directory includes a variety of services and resources available in the township, including the following:

- Police, Fire & Rescue Emergency Dial
- Municipal Offices
- Planning & Zoning
- Municipal Court
- Health Department
- Building Department
- Senior Services
- Recycling/Solid Waste
- Municipal Offices
- Recreation Hotline
- Senior Services
- Building Department
- Police Main Number
- Board of Education
- Township Website
- Township Council
- MUNICIPAL WEBSITE
- MUNICIPAL POLICE, FIRE & RESCUE
- 9-1-1
- MUNICIPAL OFFICES
- Activities, take advantage of all Randolph has to offer.

For further information on the 2019 municipal budget, residents are encouraged to visit the township website at www.randolphnj.org/government/annual_budget or contact the Finance Department at 973-969-7047.
Outdoor Dining
One of the most enjoyable things to do in the summer is to fire up the grill and invite the neighbors over for a barbecue. But sometimes you would rather have an outdoor meal that you don’t have to prepare. One option to consider is being served by some of Randolph’s best outdoor dining spots. There are many options across all of the township’s business corridors, from Sussex Turnpike to Route 10. Check out some of the locations below (listed alphabetically), and make sure to visit www.randolphlocal.com where you can find a more extensive list.

Morris Tap and Grill
Morris Tap & Grill is a popular destination for people looking for great restaurants in Randolph. Whether you’re looking for great food, an amazing beer selection, or a friendly atmosphere, Morris Tap & Grill has it all.

Mc Crabby’s Craft Bar & Kitchen
Mc Crabby’s Craft Bar & Kitchen offers the ultimate gathering place to experience great food, watch your favorite teams, and meet up with friends. Affordable, innovative seafood is available right here in Randolph.

Rudolph Diner
Rudolph Diner brings the key features of high-end dining to the casual dining environment at an everyday value with inspired cuisine, attentive and knowledgeable service, and an upbeat atmosphere.

Rosa’s Trattoria
Rosa’s Trattoria in Randolph offers Morris County authentic Sicilian and Neapolitan cuisine on an extensive and mostly homemade Italian food menu.

Verona
This Italian BYOB restaurant serves classic entrees in a traditional white-tablecloth atmosphere.

Outdoor Activities
After that big meal at one of the outdoor dining spots, you’re going to need to get outside and move! There is no shortage of options for outdoor activities for all ages. Maybe take a walk along one of our award-winning trails, play in one of our parks, sign up for a sports clinic or enjoy one of our community events. Check the list below for some of our top summer activities. Additional information on all activities is available on the website.

Festival
Randolph’s annual Independence Day celebration is held at the County College of Morris. This three day event features a fair with many rides, games, crafts, food, and entertainment for the whole family. The fair culminates with the annual parade held on Saturday starting at 11am, and a fireworks display in the evening.

Randolph Trails
Randolph’s trail system runs a 16-mile course traversing five parks, the Clyde Potts Reserve, and much more.

New Economic Development Website
This spring, the township launched a new website to promote economic development. The website, www.randolphnjedc.com, is designed to be a “one-stop shop” for local business development, a tool for potential developers seeking to maintain, grow or relocate their business in Randolph Township.

In today’s fast-paced economy, the challenge of attracting new business and retaining existing business is great. To remain competitive, municipalities must have a local economic development presence. The new website will provide this presence, and allows the township leadership to communicate directly with business owners and real estate professionals regarding the community’s business-friendly attitude and the advantages of doing business in Randolph.

In addition to promoting the township’s positive economic climate, the dynamic and interactive website features an abundance of data and information. The website design includes a listing of available commercial space including office, industrial, retail and development sites; comprehensive demographics; market and industry data; zoning information; business news; resources; and much more.

Township Welcomes New Engineering Administrator
Wayne Corsey recently joined the township’s Engineering Department as the Engineering/Water & Sewer Administrator. Wayne is a New Jersey licensed professional engineer that worked for 25 years in the land development sector for a consulting engineering firm prior to joining Randolph where he lives. He is a resident of Budd Lake, and the advantages of doing business in Randolph and the advantages of doing business in Randolph.

Wayne is a resident of Budd Lake, and the advantages of doing business in Randolph and the advantages of doing business in Randolph.

Important Recycling Information
As you may know from the various news reports, recent restrictions imposed by China on imported recyclable commodities have negatively impacted the recycling market. The restrictions have resulted in negative rebates for many recyclables and the outright restriction of other materials from inclusion in the recycling program. Below is specific information to help residents navigate the new recycling guidelines:

- Only pizza boxes without grease residue are recyclable; soiled boxes are unacceptable.
- Foam (Styrofoam) is not recyclable. If cardboard has foam attached, it must be removed.
- No hangers are recyclable (plastic, metal or wood).
- Bubble wrap is not recyclable, but can be brought to UPS stores (with bubbles popped).
- Electronic waste (TVs and computers – without cords) can be brought to the Randolph Recycling Center. Other electronics such as stereos may be recycled at Staples and Best Buy (call to confirm).
- For more information on acceptable and non-acceptable recyclables, visit http://www.randolphnj.org/services/recycling_information or www.mcmua.com.

Recycle Coach App
There is a new app in New Jersey to help make recycling easier for residents. According to the State Department of Environmental Protection, the free app provides information on recycling programs in more than 200 municipalities. Recycle Coach puts the information right at your fingertips in a fun and fast way. Residents can input their recycling questions, it can also send you reminders about upcoming collections.

Check it out and become a better steward of the environment!

A Letter from the Superintendent
This summer there will be many exciting projects underway, and you will begin to see big changes throughout the district. Many of our referendum and capital projects will start to appear in the summer’s view, including the Randolph Project, which was $92 million, with a $1.5 million increase over the prior year’s budget, and $12.4 million from state revenue sources. This budget was created with little change for taxpayers, staying under the two percent cap, despite a six percent, or $760,404, reduction in state funding. Notwithstanding the significant decrease in state funding, we will continue to plan for a future where we provide learning environments that encourage our students to explore, excel, and create.

Sincerely,
Jennifer Fano, Superintendent
Randolph Police News

Police Department Welcomes New Employees

Patrolman Patrick Mooney is the newest officer to join the Randolph Police Department, and is excited to be working in his hometown. Patrolman Mooney received his Associate's Degree in Criminal Justice from the County College of Morris, a Bachelor's Degree in Criminal Justice from William Paterson University, and has plans to further his education. He began his career in law enforcement with Baltimore City Police from 2013-2016 before moving back to the Randolph area. Patrolman Mooney enjoys making a positive impact on others' lives by helping those in need. A large part of his time in Baltimore was dedicated to community policing, which he looks forward to continuing with the Randolph Police Department.

Randolph Police to Initiate “Positive Ticket Program”

The Randolph Police Department has partnered with the Randolph Municipal Alliance Committee (MAC) to initiate a “positive ticket program.” Normally, children don’t look forward to being stopped by police officers and handed a ticket; however, this summer the police department hopes to change that attitude. The goal of this program is to reward those children observed to be setting a positive example for others. Examples would include wearing a helmet while riding their bikes, helping adults with tasks, or other activities in which the child serves as a positive role model to others. When an officer observes positive behavior, he will approach the child and give them a “ticket.” But this won’t be your normal ticket issued by an officer; this ticket will allow the child to receive a free ice cream at Cliff’s Ice Cream in neighboring Roxbury Township. The department thanks the Randolph MAC for their support because without it this program could not be possible.

Randolph Rescue Squad

First responders, EMTs, fire department crew, travelers, and walkers must “work together” to improve highway safety. New Jersey law reads, “Drivers of non-emergency vehicles shall yield the right of way to the vehicle of any member of a volunteer fire company or a volunteer first aid squad or rescue squad displaying emergency lights in the same manner as authorized emergency vehicles (NJSA 39:4-92).”

In the Randolph community, this means that emergency vehicles can travel safely to their assigned destination. It can be difficult to obey this law, but it is in their best interest to do so as lives are at stake. For members of the Randolph Rescue Squad (RRS), “working together” also means answering calls, attending training classes and meetings, responding to incidents, and caring for equipment. Happily, our 2019 Installation Dinner provided the opportunity for the Squad to publicly recognize members’ achievements that have resulted from working together. Steve Jancarek offered welcoming remarks. He then introduced Mayor Jimmy Loveys who expressed praise for the Squad and conducted the oath of office ceremony installing the 2019 officers: Steve Jancarek, president; Adam Glauberg, vice-president; Michele Dempney, treasurer; Helen Ray, secretary; Larry Melone, board member from the floor; John Freudenberg, Jr., member-at-large; Todd Houston, captain; Jason Bell, first lieutenant; Caitlin Costello, second lieutenant; Sheryl Madayag, Marco Petrozzo, and James Sharabba, sergeants; Juniors Jake Iantosca, captain, and George Houston, lieutenant. The awards committee distributed 43 Squad members for their exceptional contributions. Awards were distributed for pre-hospital saves, military service, mentorship service, standbys, community service, earning EMT status, top call takers, call of the year, and officers’ awards. Congratulations to all of the recipients!

Randolph Museum

The Historical Society of Old Randolph Welcomes You to the Randolph Museum

The Randolph Museum is open most Sundays from 100 a.m. – 4:00 p.m. and October through November. Come learn a bit about Randolph life the way it used to be while viewing home, industry, education, and resort exhibits. The museum is also open by appointment for scout troops, schools, and anyone else who would like a private tour. To arrange for a special tour of the museum, please email hsr@juno.com or call 973-989-7095 and leave a message.

Get to a chance to hear first-hand how life in Randolph used to be. The Historical Society of Old Randolph invites you to attend one or all of the Randolph Reminiscences programs. Upcoming Randolph Reminiscences programs will be held at the Randolph Museum on Monday, June 17th, August 19th, and October 21st. The public is invited to attend free of charge. Come before 7:00 p.m. and enjoy these popular programs. Seats fill up fast.

The annual Peach Social is scheduled for Sunday, August 18th from 100 a.m. - 4:00 p.m. It offers a chance for visitors to view special exhibits at the Randolph Museum and to enjoy locally grown peaches used in various recipes. The Historical Society of Old Randolph is again participating in the county-wide Pathways of History weekend on Sunday, September 22nd from 1:00 p.m. – 4:00 p.m. This year marks the 10th anniversary celebration of the Pathways event, and participating museums and historical properties are open to the public to give residents a chance to learn more about some of the historical societies and historic places in Morris County.

Residents are urged to learn more about these events by visiting www.randolphnj.org/about_randolph/historical_society, following us on Facebook at Randolph Museum, or by emailing hsr@juno.com.

Contact us:
- To learn more about the RRS or to complete a membership application, visit our website at www.randolphrescue.org.
- To arrange for stand-by’s at athletic and other community events or for information about training classes, call Captain Todd Houston at 682-882-2929 or send an email to captain@randolphrescue.org.
- For other questions, send an email to info@randolphrescue.org.
- To reach RRS President Stephen Jancarek, email steve.jancarek@randolphrescue.org.

**Health Department News**

**Protect Yourself this Summer**

It’s time to get outdoors and enjoy the warmer weather! Unfortunately, spending more time outdoors means you’re more likely to come in contact with ticks and mosquitoes. Both ticks and mosquitoes can transmit viruses to humans. Protect yourself, your family, and your pets from bites by following the recommended tips from LymeDisease.org and the CDC.

- Walk in the middle of trails, and avoid sitting on logs.
- Wear a hat, long-sleeved shirt, long pants tucked into socks, and shoes; white or light-colored clothing makes it easier to see ticks.
- Consider using Deet for skin and permethrin for clothes.
- Do tick checks immediately and again three days after outdoor activity.
- If you find a tick, remove it carefully with tweezers, save it in a container, and call the doctor.

Protect yourself with knowledge; be aware of the common symptoms of early Lyme disease. Symptoms may present as a flu-like illness (fever, chills, sweats, muscle aches, fatigue, nausea and joint pain). Some people have a rash or Bell’s palsy (facial drooping). However, although a rash shaped like a bull’s-eye is considered characteristic of Lyme disease, many people develop a different kind of Lyme rash or none at all. Estimates of people who develop a Lyme rash vary widely, ranging from about 30% to 80%.

Protect yourself from mosquito bites by following the recommended tips from the CDC.

- Mosquitoes that spread chikungunya, dengue, and Zika are aggressive daytime biters; they can also bite at night.
- Use insect repellent with Deet, Picaridin, or IR3535.
- Wear clothing similar to those noted above for protection from ticks.
- Mosquito-proof in and around your home by using screens on windows and doors, emptying containers of water such as planter trays, toys and bird baths, and using air conditioning when possible.

The Randolph Township Health Department is hosting the Morris County Division of Mosquito Control display boards on prevention of tick and mosquito-borne illnesses during the week of August 19-26. Stop by the Randolph Township Library during normal business hours to pick up literature.

---

**Thank You**

Dr. Steven Ware has been serving as our Board Certified Urologist for the Randolph Health Department’s Male Cancer Screening for the past 37 years. He has devoted his expertise, compassion and dedication to our residents. We are grateful for his many years of service, and for his time and dedication to cancer detection. In 2020, Dr. Ware will be stepping down from our program.

In 1982, a cooperative cancer screening began which initially served the residents of Dover, Roxbury, Rockaway Borough and Randolph. These programs have served many men over the years. Each program has its own unique and special character. With each program, the participants have expressed the highest level of evaluation and praise for the care they received from Dr. Ware.

The Randolph Township Health Department would like to express our gratitude for the time, skill, and friendship he has demonstrated over the years. Thank you Dr. Ware!

**Brundage Park Playhouse**

**CINDERELLA**

Book by Jim Eiler
Music by Jeanne Bary and Jim Eiler
Lyrics by Jim Eiler

Based on the fairytale by Charles Perrault
Directed by Mark Carovale
July 12, 19 and 26 at 8:00 p.m. and July 13, 14, 20, 21 and 27 at 2:00 p.m.

A godmother, of the fairy variety, inquires of her two helpers about the neediest case in the kingdom. Not surprisingly, they introduce her to Ella, who after being orphaned, was left in the care of her wicked stepmother and stepsisters. Forced to use the kitchen as a bedroom, Ella can often be found daydreaming among the cinders from the fireplace, inspiring her stepfamily to rename her “Cinderella.” Wand in hand, Godmother sets about to change the girl’s life. With a dash of belief, a sprinkle of magic and a pinch of true love, Cinderella has her life changed for good.

---

**KIDS’ CABARET**

**In Harmony: Kids Changing the World**

Directed by Hoge Keil
August 7, 8, 9, at 8:00 p.m. and August 10 and 11 at 2:00 p.m.

Further information regarding this annual production by youth performers will be available on our website.

---

**Artworks Studio**

Fine arts instruction for ages 3 ½ through adult.

All classes are held at Artworks Studio located at 502 Millbrook Avenue, next to the Municipal Building. For class times and availability, please visit www.randolphnj.org/parks_and_recreation/artworks_classes.

**SUMMER CAMPS - spaces still available!**

**Spy Kids:***
- July 8-12 (grades 2-5)
- Let’s Go to the Zoo:***
- July 15-19 (grades K-3)
- Our Magic Garden:***
- August 19, 21, 22 (ages 3½-6)
- Art Naturally:***
- July 22-26 (grades 6-12)
- Art Differently:***
- July 29-Aug 2 (grades 6-12)

**Registration is Open for Fall Art Classes (start the week of September 9th):**

- **Pastel & Drawing:** Adults
- **Mixed Media Painting:** Adults
- **Young Artists:** Ages 3½-5
- **Art Exploration I:** Grades K-5
- **Art Exploration II:** Grades 4-8
- **Drawing & Painting:** Grades 4-8
- **Drawing from Nature:** Grades 4-9
- **Mixed Media Painting:** Grades 6-12

**Randolph Lake Beach**

Randolph Lake Beach is open for another great season! The beach, located off of Route 10 West on Green Lane, opened on Memorial Day Weekend and is open each weekend. Beginning Saturday, June 22nd, the beach will be open daily through September 2nd, conditions permitting. Randolph Lake Beach features beautiful white sand as well as floating docks, a spray park, paddleboat and canoe rentals, and weekly special events supervised by the dedicated lifeguards. Randolph Lake Beach is a destination the entire family can enjoy and has been a Randolph tradition since the early 1970’s. Memberships are available for individuals as well as couples and families. For further information, please call the Recreation Office at 973-989-7081.

---

**Brundage Park**

**In Harmony: Kids Changing the World**

Directed by Hoge Keil
August 7, 8, 9, at 8:00 p.m. and August 10 and 11 at 2:00 p.m.

Further information regarding this annual production by youth performers will be available on our website.
Recreation Programs and Clinics

www.randolphnj.org

Ice Hockey: Registration is Monday-Friday, 8:30 a.m. – 4:30 p.m. at the Community Center. Early registration is ongoing through June 30. Regular registration begins July 1.

Summer Tennis Lessons: Ages 5-17. Four two-week sessions will be held beginning Monday, June 24. Each session will consist of eight, 55-minute lessons. Children register according to age and ability. Lessons include instruction on serving, forehand, backhand, volleying and match play. Participants must have sneakers and a tennis racquet. All lessons are held at Brundage Park tennis courts on Carroll Road. Fee: $80 per session for residents; $90 per session for non-residents.

Summer Sports Clinics

Baseball Clinic: Children currently in Grades 3-6, except where noted. Session I: July 8-11; 9am-12pm $85 Session II: July 15-18; 9am-12pm $85

Boys Basketball Clinic: Children currently in Grades 3-8. Session I: July 1-5 (off 7/4); 9am-12pm $85 Session II: July 22-26; 9am-12pm $85

Girls Basketball Clinic: Children currently in Grades 3-8. Session I: July 19-23; 9am-12pm $85 Session II: July 26-30; 9am-12pm $85

Boys Lacrosse Clinic: Children currently in Grades 4-12. Session I: July 21-25; 9am-12pm $85

Girls Field Hockey Clinic: Children currently in Grades 3-8. Session I: July 8-11; 9am-12pm $85 Session II: July 15-18; 9am-12pm $85

Boys Soccer Clinic: Children currently in Grades K-8 (boys and girls). Session I: July 8-11; 9am-12pm $85 Session II: July 15-18; 9am-12pm $85 Session III: July 22-25; 9am-12pm $85

Girls Soccer "Future Rams": Grades K-3. Session I: June 24-27; 9am-12pm (Grades K-3) $85 Session II: August 12-15; 9am-12pm (Grades 2-7) $70

Girls Softball Clinic: Children currently in Grades 2-6. Session I: July 8-11; 9am-11am $70

Flag Football Clinic: Children currently in Grades 2-7. Session I: July 8-11; 9am-12pm $85 Session II: July 15-18; 9am-12pm $85

Track and Field; Speed and Agility: Children currently in Grades 2-12. Session I: July 1-5 (off 7/4); 9am-12pm $85

General Information:
- All clinics are designed to teach basic and advanced skills in a fun and relaxed environment.
- Grades listed refer to the 2018-2019 school year.
- All summer clinic participants receive a t-shirt.
- Most head instructors are, or have been, high school varsity head coaches.
- Assistant instructors are college and high school coaches and players.

Swim Lessons: Randolph Recreation Department will offer four weeks of swim lessons at Randolph Park this season. Lessons are offered weekly Monday-Thursday from July 8- August 1; beginner at 10am and intermediate at 10:30am. Class size will be limited to ensure a quality swim lesson experience. If sessions fill, more weeks may be added. Children must be four years old by September 30, 2019. Fee: $40 per child/per week. Register online at Randolph Park.

Swim Team: Youth ages 6-18. The team participates in the North Jersey Regional Lakes League and will have at least eight meets throughout the summer. All ages compete at their age level. Fee: $50 per child. Register online any time or in-person every Saturday 11am-2pm at Randolph Park. Applicants for swim team will be tested at Randolph Park prior to placement. If unable to meet basic requirements for swim team, fee will be applied to swim lessons.

Recreation Summer Day Camp: Summer Camp for children who have completed grades K-5. There are still openings for this summer. This Day Camp takes place at Iona School and will run from June 24-August 2.

Recreation Day Camp Trip Week:
- Grades K & 1: Land of Make Believe (off 7/4) $85
- Grades 2-5: Sky Zone
- Grades 6-8: Planetarium/Camp BBQ
- Grades 9-12: Medieval Times

If you have any question about the Randolph Recreation Day Camp, call the Recreation office at 973-989-7081.

Senior Programs and Events

TRANSPORTATION SERVICES

Shopping Bus
Transportation to local shopping centers two days per week.
Monday Roxbury/Ledgewood Shopping Center
Wednesday Acme/Shopsite-Rockaway (1st and 3rd)
Acme/Weis (2nd and 4th), see calendar
Arrangements for transportation must be made by phone at least 24 hours in advance.

Cards
Transportation to and from doctor’s office and therapy sessions. This service is available Monday-Thursday only. Appointments are available 9:00 a.m. – 3:00 p.m. It is best to call and schedule a ride as soon as you have made a medical appointment.

ACTIVITIES

Randolph Senior Citizen Club
Meets on the first Tuesday of every month at 11:00 a.m. at the Community Center. Contact Loretta White at 862-244-4549 for additional information.

Senior Club Bingo
Meets on the second and fourth Wednesdays of the month, from 11:30 a.m. to 2:00 p.m. at the Community Center. Transportation provided.

Sewing
Meets on the third Friday of each month at 9:00 a.m. in the Senior Room at the Community Center. No transportation provided.

SPECIAL EVENTS

Recreation Summer Day Camp
Summer Camp for children who have completed grades K-5. There are still openings for this summer. This Day Camp takes place at Iona School and will run from June 24-August 2.

If you have not checked out Randolph Recreation Summer Day Camp in the last few years, now is the time! This low cost day camp offers so much more than you would expect. The administrative staff is comprised of certified teachers from the area. The counselors are 16 years and older, with many college age. Staff includes a Sports/Activity Director and an Arts and Crafts Specialist. Many offsite activities are provided, including mini golf, bowling, Aspen Ice (for the older age groups), and swimming every week. Even the special trips are included in this low cost camp! The special event Fridays include a planetarium, laser tag, camp carnival, and more! If you register your child for three or more weeks, you will receive a $15 registration discount per week.

Register online with your Recreation Community Pass account – under Season of Day Camp/Teen Camp 2019. (This is not the same community pass or summer camp as the community school.) If you have any question about the Randolph Recreation Day Camp, call the Recreation office at 973-989-7081.
2019 Road Resurfacing Program

Randolph Township evaluates the condition of the road system on an annual basis as part of its ongoing road maintenance program. This evaluation program is a collaborative effort between the Engineering and Public Works Departments. It combines an independent rating of the road evaluation system condition and the expertise of the Public Works Director and his crew who maintain the roads daily. This program tracks all of the 154 center line miles of township roadways.

The funding for this year is similar to last year, allowing for the same amount of miles of roadway maintenance. Eighteen roads, or 5.23 miles, are scheduled for resurfacing. As in past years, if funds are available after the roads scheduled for resurfacing have been completed, additional roads could be added prior to the end of the year.

The following roads are tentatively scheduled to be resurfaced this summer. Residents living on these roads who may be looking to install new underground utility lines such as gas or water, from the street to their home, should schedule the installation prior to the resurfacing.

Fire Hydrant/Water System Maintenance

As part of the Randolph Township Water & Sewer Department’s routine maintenance, as well as a requirement of the New Jersey Water Accountability Act, the department will continue to perform maintenance and replacement of fire hydrants and water system valves throughout the township’s water system. You will see township crews painting and placing identifying labels on township owned fire hydrants and checking all inline water system valves for proper operation. If you have any concerns regarding fire hydrants or other water/sewer infrastructure-related issues, please contact the Engineering/Water & Sewer Department at 973-989-7066.

Sump Pumps Connected to the Sanitary Sewer Cause Big Problems!

Not only is connecting sump pumps to the sanitary sewer illegal, it can create big problems for homeowners. Sump pumps are designed to pump groundwater and rainwater. Sanitary sewer pipes are designed to carry sewage.

Typically, the sanitary sewer pipe in the street is eight inches in diameter, and can handle 300 gallons of sewage per minute. If the flow exceeds that level, the sewage will surcharge (flow backwards) and start filling up through your or your neighbor’s basement toilet or washing machine drain and result in a disgusting and hazardous mess! It is critical that sump pumps be discharged to the yard or storm sewer, not to the sanitary sewer.

Another unforeseen issue these illegal connections present is more ground water flowing through the sanitary sewers; this makes the sewer pump stations and sewer treatment plants work harder. The end result is higher sewer costs for the township, which will eventually result in a financial impact to residents. The diagram below shows what the acceptable way to properly pump groundwater away from your house.

Off-Hour and Weekend Emergencies

Residents know what to do when there’s a police, fire or medical emergency, but often don’t know what to do when a non-life-threatening emergency such as downed trees or wires in the roadway, storm inlet flooding, a water main break or sanitary sewer back up in the street occurs on weekends or after normal business hours. These types of emergencies should be reported to the township in order for them to be assessed immediately and repaired prior to the next business day. When one of these non-life-threatening emergencies occurs after normal business hours, please call the Randolph Police Department’s non-emergency number, 973-989-7000, and choose the option for “dispatch.” The police department will then contact the appropriate township department to inform them of the emergency. As always, for police, fire or medical emergencies, dial 9-1-1.

Engineering and Planning - Required Permits

With warmer weather finally here and outdoor projects commencing, residents should be aware that the township Engineering and Planning Departments require the following permits for certain activities that are conducted on individual properties:

Tree Protection Permit: A Tree Protection Permit is required for the removal of more than five trees of 12” or greater diameter in a two-year period. The Tree Protection Permit Application form is available in the Planning Department and requires an application fee of $60. A bond is required to be posted to ensure the trees are replaced in accordance with the ordinance requirements.

Lot Grading Permit Application: A Lot Grading Permit is required for any land disturbance on a property involving the construction of 1000 square feet or more of new impervious area or 2,500 square feet or more of new soil disturbance, except for normal agricultural operations in connection with a farming operation. The Lot Grading Permit form is available online at the township’s website or at the Engineering Department. The permit fee is $100, with an additional fee of $300 if a grading plan is required by the Township Engineer.

Construction in Township’s Right-of-Way Permit: Any work within a township road or right-of-way (area between road and individual property lines) requires a Construction of Improvements or Drainage from Private Homes in Public Streets or Rights-Of-Way Permit. These permit application forms are available in the Engineering Department and require a $200 inspection fee and $500 cash bond (two separate checks). The scope of this work could include excavations, connections of roof leaders, sump pumps or yard drains into existing drainage inlets, installation of driveway pavers or other construction activities.

The above permits are necessary for the township to ensure that activities conducted on individual properties are compliant with respective township ordinances, and there will be no adverse impacts to the neighboring properties.

Why Randolph Implements the Odd/Even Lawn Watering

Residents often question why Randolph implements lawn watering restrictions each year from May 1 through September 30, particularly when there has been a wet spring. Randolph has a limit to the amount of water it can draw from its bulk supplier, the Morris County Municipal Utility Authority (MCMUA). In the summer months, Randolph experiences extremely high levels of water consumption, much of which can be attributed to the inefficiencies of lawn watering. Peaks in water demand adversely impact the township, and exceeding the monthly allocation for water from the MCMUA would put a five year moratorium on new connections as mandated by the NJDEP. It would also ban lawn watering indefinitely.

Therefore, in an effort to conserve water, the Township Council adopted new lawn watering regulations in May 2007 for properties which receive water provided by the Township of Randolph and the Town of Dover. Over the years, this has proved significant during those times when a state-wide drought and subsequent watering ban has been issued. For more information, visit the township website or call the Engineering Department at 973-989-7066.
