# Zoning Permit Application (Nonresidential)

## Addendum

### ADDENDUM TO ZONING PERMIT APPLICATION

Please provide complete and accurate answers to the following questions to determine if your project conforms with the current Land Development Ordinance standards. The accuracy of the answers is the responsibility of the applicant. If an applicant is unsure of any of the questions as they pertain to this particular project, it is strongly suggested that an engineer or other land use specialist be consulted to determine the land characteristics associated with this project.

<b>1. Is this property connected to the public sewer system?</b> If no, the location of the septic system must be indicated on the survey.	<input type="checkbox"/> Yes <input type="checkbox"/> No
<b>2. Is this property connected to the public water system?</b> If no, the location of the well must be indicated on the survey.	<input type="checkbox"/> Yes <input type="checkbox"/> No
