Randolph Public Health Nurses: Supporting a Healthier Community

The Randolph Health Department is proud to have a dedicated team of Public Health Nurses who work tirelessly to protect and promote the well-being of our residents. From immunizations to health screenings, their impact is felt throughout the community.

What Our Public Health Nurses Do:

- ✓ **Immunizations & Preventive Care** – Providing vaccinations for uninsured and underinsured children and adults through the Vaccine for Children (VFC) and Adult Vaccination (317) programs.
- ✓ **Health Screenings** – Detecting potential health risks such as childhood lead exposure, Hepatitis B, hypertension, and diabetes.
- ✓ **Community Education & Outreach** – Engaging residents through health fairs, workshops, and school immunization audits.
- ✓ **Disease Prevention & Investigation** – Conducting contact tracing and managing outbreaks to prevent the spread of illnesses.
- ✓ **Home Visits & Support** – Offering care to vulnerable residents in need of medical assistance.

2024 Recap:

- 739 clinic visits provided to 589 individuals.
- 25 home-based nursing visits conducted.
- 714 communicable disease investigations completed.
- 553 immunizations administered across all age groups.

Randolph residents are encouraged to contact the **Public Health Nurses at 973-537-7118** for additional information, immunizations, and referrals. Together, we can continue building a healthier Randolph!

RANDOLPH *in brief...*

A Message from the Mayor

Dear Randolph Residents,

It is my honor and privilege to serve as your Mayor in 2025. Like many of you, my family and I chose Randolph as our home because of its family-friendly environment, thriving business community, and strong volunteer spirit. As your mayor, I am committed to building on this legacy and ensuring Randolph remains a place we are all proud to call home.

Key Priorities for 2025

Revitalizing Mt. Freedom

The Mt. Freedom area on Sussex Turnpike holds historical significance and potential as a vibrant business and retail district. This year, we will explore strategies to revitalize this area and make meaningful progress by year's end.

Enhancing Communication

Keeping you informed is a top priority. In 2025, you'll hear from me regularly through "Minute with the Mayor" video updates, our newsletter, and active social media presence. Follow us on Facebook (@Township of Randolph) and Instagram (@randolphtwpnj). Sign up for our weekly newsletter at www.randolphnj.org.

Improving Township Services

We're making it easier for residents to communicate with the township through SeeClickFix, a new app for reporting road issues, permit requests, or park maintenance needs. This tool enhances transparency and speeds up solutions—download it today!

Investing in Infrastructure

We continue to prioritize improvements to roads, parks, and facilities. This year, we will update our 10-Year Parks & Recreation Master Plan and encourage resident input to guide future investments.

Expanding Arts & Culture

We are conceptualizing a new Cultural Arts Center to replace Brundage Park Playhouse and Artworks Studio, ensuring Randolph remains a hub for arts and recreation.

Planning for America's 250th Anniversary

As we look ahead to 2026, we will begin planning Randolph's role in celebrating the 250th anniversary of our nation's founding.

I'm excited to work alongside our council, township professionals, and you—the residents, to make 2025 a year of progress and connection. Thank you for your trust and support. I look forward to serving you!

Mayor Joe Hathaway

TAX & UTILITY COLLECTION OFFICE

ONLINE PAYMENTS

As of 2025, there is a new option available to pay your Randolph taxes and water/sewer bills.

Register and enroll in AutoPay:

- **Step 1** - Register once for both tax and utility - click on "new users click to register"
- **Step 2** - Find and link your property, for the account you wish, using the "Properties" tab
Hint: Enter only your last name and your house # and only the first few letters of your street name.
- **Step 3** - Enter and link your banking information using the "Payment Accounts" tab
Hint: Be sure you enter your payment information correctly to prevent delays and possible late fees.
- **Step 4** - Enable your AutoPay/Direct Debit, by using the "Properties" tab and clicking the edit symbol. Once you agree to the terms you should see the word 'Enabled' in green next to the bills you wish to use AutoPay.

PLEASE NOTE: IT IS YOUR RESPONSIBILITY TO ENSURE YOUR INFORMATION IS CORRECT.

If you change payment account information you must make the changes. If you sell your home or no longer wish to participate in AutoPay, you must disable the service.

Please also note that the prior method of AutoPay is **NO LONGER** available and you must register, link, and enable AutoPay to be enrolled.

Register and store your payment information for future use.

Follow steps 1-3 above then you can choose when you wish to generate an online payment for tax and/or utility bills.

Make a one-time payment.

You will need to enter your information each time you wish to make an online payment. The system will not allow you to register or store payment information.

If you have any questions, please call 973-989-7047, 973-989-7048 or 973-989-7063.

Environmental & Landmark Committee

As the early spring flowers break through the snow, please remember to embrace Randolph's efforts to become a Bee City by welcoming the pollinators. Two actions you can take include creating and supporting pollinator gardens, and limiting the use of pesticides on your lawn and gardens. This spring and fall, the Historical Society of Old Randolph (HSOR) hopes to resume Historic Bus Tours of our Municipal Landmarks including our newest landmark, the Trowbridge-Brundage House which also serves as the town's museum. In order to support these tours and more frequent museum openings, the Historical Society is seeking more volunteer docents. We encourage you to attend our bimonthly meetings in 2025 as we explore initiatives including improving welcome signage and food composting.

Spring Branch Collection

The township will be conducting its Annual Spring Branch Collection starting the week of April 14th. All branches need to be placed curbside by this date as it will be a ONE TIME ONLY pick up. No return trips will be made. This collection usually takes 4 weeks to complete the entire township. Brush collection will be limited to ONE (1) LOAD per property owner, approximately 4 cubic yards. This is roughly the size 5 ft. Long by 4 ft. Wide x 5 ft. High. All branches will be no longer than 4 feet in length and 3 inches in diameter. This does not include LEAVES, VINES, STUMPS, and BUILDING MATERIALS, or any other non chippable items. Loads larger than the guidelines listed above can be removed through the special brush collection policy by contacting the Engineering Office at 973-989-7066. There is a \$150 FEE for this additional service.

Mulch

Delivery of fine shredded wood mulch will be available to residents from March through October. Each truckload contains approximately 6-8 cubic yards of mulch. If you are interested in having this product delivered to your residence, you may contact the Engineering Office at 973-989-7066.

Deliveries will be made every Thursday and Friday from March 3rd to October 20th. There is a delivery charge of \$100.00 that may be paid when scheduling delivery with the Engineering Office.

As always, residents are welcome to pick up mulch free of charge at the Recycling Center on Sussex Turnpike.

MULCH IS ONLY AVAILABLE FOR PICKUP OR DELIVERY WHILE QUANTITIES LAST.

Street Sweeping

The township sweeps all of the township roads once the winter season is over. This operation is performed by our Public Works Department and takes approximately three months to complete. Please do not deposit any large debris along the edge of the road that may enter our storm drains and may also hinder our sweeping operation.

Spring Bulk Trash Collection Week begins 6:00 am Monday, May 5 ends Friday, May 9

Items must be placed curbside by 6:00 am on Monday. Please clearly separate household trash from your bulk trash items. Please note the collection is simply an extension of your one-item-of-bulk-trash per weekly curbside collection service available to residents throughout the year. Items accepted include non-metal furniture, couches, mattresses, box springs, rugs/carpeting (rolled and tied in 4 foot lengths).

ITEMS NEVER COLLECTED during the bi-annual bulk collection and/or weekly curbside trash collection include all recyclable items (metal, paper, e-waste), prohibited items (hazardous waste, building materials, and items weighing more than 200 lbs.), and vegetative waste. For more information on acceptable and unacceptable items, visit www.randolphnj.org

Clean Communities Day

Join local civic and scout organizations in tidying up Randolph Township at our "Clean Communities Day" on Saturday, April 26. All participants will receive gloves, garbage bags and t-shirts. Group leaders can arrange to pick up supplies in the Health Department on Thursday and Friday, April 24 and April 25 between 8:30 am and 4:30 pm. Mini-grants are available for civic groups. Call the Health Department at 973-989-7050 to sign up.

Paper Shredding

As part of its Clean Communities Day, the Randolph Township Health Department will once again offer confidential paper shredding services to residents, free of charge, from 9:00 am to 12:00 pm on Saturday, April 26 in the Municipal Building parking lot. Residents must have their NJ driver's license available as proof of residency.

This shredding service is for:

- Randolph residents only
- Personal, confidential documents generated in the home only (not commercial or home-business generated)
- A maximum of three file boxes per household (file box = 1.5 cu feet).
- Confidential documents. This does not include junk mail and store flyers or solicitations.
- Documents must be free of any metal clips, rings or binders; plastic file folders, x-rays, CDs, etc.

If you have any questions please call the Health Department at 973-989-7050.

New Hire Spotlight

Evan Covello

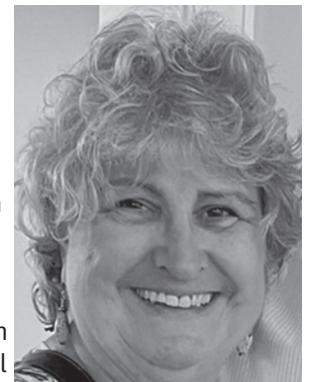

Randolph welcomes Evan Covello as our new Assistant Township Manager. Evan received his BA in Planning and Public Policy from Rutgers University and his Master of Public Policy degree from Duke University.

Evan gained experience in local governments as a grants manager for several New Jersey communities, helping secure over \$35 million in funding for parks, infrastructure, and public safety projects. Most recently, he worked as a senior consultant contracted by the Cybersecurity and Infrastructure Security Agency under the U.S. Department of Homeland Security. Evan is eager to collaborate with the Township Manager, departments, and Township Council to enhance the resident experience and foster a vibrant community.

Zerlina MacDonald

Randolph is thrilled to welcome Zerlina, better known as "Z", to our Health Department team! With a Bachelor of Science from William Paterson University, Zerlina has been a Registered Environmental Health Specialist since 2015.

She brings 30 years of customer service experience from her time at Verizon and is excited to begin this new chapter in public health. A Morris County resident, Zerlina enjoys spending time with her family, friends, two cats, and four grand-dogs. In her free time, she loves crafting, flea marketing, and making new friends. Please join us in welcoming Zerlina to Randolph!

Jacqueline Laurice

Randolph is excited to welcome Jacqueline Laurice as our new Full-Time Public Health Nurse! Jackie earned her BSN from William Paterson University and has been a practicing nurse for 14 years. A proud mom of four, she values

family, integrity, and community service. Passionate about listening to the needs of residents, Jackie believes in shaping her practice around the voices of the community. She looks forward to making a meaningful impact by improving the health and quality of life for Randolph residents. Please join us in welcoming Jackie to the team!

A Letter from the Superintendent

Embracing Innovation in Education

The world is evolving rapidly, driven by advancements in science and technology. In Randolph, we are fortunate to have exceptional educators and leaders who not only adapt to today's educational needs but also anticipate those of the future. With innovations like artificial intelligence reshaping education, we have new tools that enhance individualized instruction and student support like never before.

By combining data-driven insights with the expertise and compassion of our educators, we can better personalize learning and ensure that every student thrives. Improved technology allows teachers to track progress and adjust lessons based on individual needs, helping students maximize their strengths while addressing areas that require additional focus. Beyond academics, these advancements also help us recognize trends in student engagement and well-being. By identifying early warning signs, we can provide targeted academic,

social, and emotional support—whether through small group instruction, counseling services, or tailored interventions.

While technology plays a crucial role, the heart of our success remains in the connections our educators build with students. Data provides insights, but it is the dedication, motivation, and inspiration from our teachers that truly shape student success. This balance between innovation and human connection ensures that we enhance learning outcomes while fostering the emotional well-being of every child.

I am proud of the progress we've made, but these efforts would not be possible without the support of our families, community, and local leaders. Together, we are shaping a brighter, more adaptable future for Randolph—one that empowers every student to succeed in an ever-changing world.

Sincerely,
Jennifer Fano, Superintendent of Schools

Police Department News

House Watch Program

Going on vacation, or planning to be away from your home for an extended amount of time? The Randolph Police Department has a House Watch Program that will help give you peace of mind while you are away. Simply fill out the form online and bring it to the police station so your home can be added to the program. Enlisting the police department to keep an eye out for suspicious activity while you are away from home does not guarantee against loss, theft, damage or mischief, but it can be a useful deterrent to anyone who may be considering accessing your home for criminal purposes. Visual inspections of your home's exterior will be conducted as time and manpower permits.

Crosswalk Safety

The Randolph Police Department investigates several car crashes throughout the year involving pedestrians being struck by motor vehicles. The investigations tend to reveal that an action by the pedestrian contributed to the crash. The police department would like to share some safety tips for when walking or crossing a roadway.

- Always walk on the sidewalk if possible. If it is not possible, then walk facing traffic.
- Wear bright clothing and reflective material, especially at night.
- Carry a flashlight when walking at night.
- Stay sober; walking while impaired increases your chance of being struck.
- Watch for backup lights and listen for engine noises when walking in parking lots.

When Crossing the Street:

- Stay clear of any type of obstructions, so that drivers can see you, before you attempt to cross the street.
- Even though the law requires drivers to stop for pedestrians, don't assume that they will, and make sure they have enough time to stop for you. Make eye contact with the driver. If the driver is on a cell phone, they may not see you or be able to stop in time.
- Cross the street at marked crosswalks or intersections if possible.
- Look to your left, your right, then your left again, to determine if it is safe to cross the street.
- At intersections, watch for turning vehicles. Make sure that they see you and have stopped for you.
- Look across all of the lanes of the road that you need to cross before crossing. If one car stops, it does not mean the drivers in the other lanes will stop. The stopped vehicle might block you from another driver's field of vision.
- Obey traffic signals such as the WALK/DON'T WALK signs.
- Don't wear headphones or use your phone when crossing. Stay alert to your surroundings.
- Cross the street in a well lit area at night.

Randolph Rescue Squad

Celebrating the New Year

At the beginning of each new year, most people also reflect on the past year. Randolph Rescue Squad members did just that at our annual Installation Dinner in January. Attendees included RRS officers, active Squad EMTs, drivers, life members, juniors, auxiliary members, representatives from Randolph's police, fire, and public works departments, other guests and, of course, our Township Manager and Council members who have been supportive of RRS for 50+ years. Joe Hathaway, on his second day as Mayor, conducted the formal installation and then spoke about the Squad's accomplishments and commitment to the township. The 2025 officers are Christopher Zelley (President), Deanna Vaccaro (Vice-President), Michele Dempsey (Treasurer), Celine Pedalino (Secretary), Kiran Shetty (Membership Liaison), Ryan Knox (Member-at-Large), Justin Lash (Captain), Jordyn Bolan and Brenden Eschelbacher (Lieutenants), Adam Glauberg and Felicia Chen (Sergeants).

Many individual awards were presented, too. Special thanks went to 2024 Century Club members who answered 100 or more calls: Jordyn Bolan, Felicia Chen, Brenden Eschelbacher, Adam Glauberg, Jesse Glauberg, Larry Melone, and Deanna Vaccaro. Outgoing officers Fred Zelley and Marco Petrozzino were acknowledged. Much applause followed the announcements of Brenden Eschelbacher as Member-of-the-Year, and of the Top Three Call Takers –Jesse Glauberg, Deanna Vaccaro, and Brenden. Chris Zelley received a New Paramedic Award. Michele Dempsey and Rebecca Grossman earned the Public/Community Service Award for organizing and staffing the Blood Drives at Headquarters. Congratulations were extended to many other members for a wide variety of service awards.

Overall, in 2024, Squad members responded to 900+ emergency calls, supplied on-site emergency medical service at fire calls, and transported non-emergency patients to and from hospitals and health care facilities. They attended training courses, handled administrative functions, hosted five blood drives at Headquarters, and provided a wide array of stand-bys for community and school events. Randolph Rescue Squad remains fully volunteer without any billing for our services. Your generous donations make this possible – Thank You!

Join Us! We hope you will become one of the Helpful Heroes that Randolph needs! Reward yourself with a sense of satisfaction and pride. Extend your life skills. Become a better listener, collaborator, and leader. Learn about, and respect, those who face difficult health challenges and help save lives.

Reminders:

- ✓ **DIAL 9-1-1** in an emergency– Quickly provide the location and nature of the emergency. Give a list of the patient's medications and/or special needs ready for the crew.
- ✓ To arrange for **STAND-BY** service and/or for additional general information, send email to info@randolphrescue.org or to captain@randolphrescue.org. Make a detailed request with as much prior notice as possible.
- ✓ **APPLY** for membership via our website at www.randolphrescue.org.
- ✓ **BLOOD DRIVES** at RRS Headquarters on Route 10 West scheduled for April 24, June 19, and August 14. Register via our website or stop in from 10:45 AM to 7:45 PM.
- ✓ **OUR 2025 FOOD TRUCK FESTIVALS** will be held on April 26 and October 25, at County College of Morris.

Fire Department News

Did you know that you can join the Fire Department by going to www.randolphfire.org? That is right, the RTFD is looking for new members!

If you are a resident, over the age of 16 and have a desire to be a part of something amazing, please go online or stop by your local fire house on a Monday night. In addition to helping the community, building camaraderie, being of service and learning about a multitude of different competencies, you get to use some cool tools & toys and partake in activities you might have never thought possible.

While the department serves the entire township, each fire house is individually operated by associations, so you get to join two organizations, incredible!

As we approach daylight saving time, remember to change the batteries in your smoke and carbon monoxide detectors. If your detector goes off, call 911 and the Fire Department will respond. Spring is often an active time for brush fires; be alert on trails, when spreading mulch, or driving around town.

Upcoming Fire Department activities:

Company 2 (340 Route 10): will be hosting their annual beefsteak/tricky tray on May 17

Company 4 (331 Dover Chester Road): look out for advertising for the Spring Pancake Breakfast, and the annual scholarship if you are a graduating senior. Information on the scholarship is available at the high school.

Library Programs

Registration may be required. Register online at www.randolphlibrarynj.org or call. Children's programs that require registration are open to Randolph residents, children who are full-time attendees of schools located in Randolph, and children of parents who work in Randolph. Residents may register for children's programs one week before the program; non-residents may register one day before a program if space is available.

Randolph Economic Development Committee

The Randolph Economic Development Committee (EDC) begins the new year with ongoing support of our regular activities as well as several new exciting initiatives. It is our ongoing goal to support local businesses and share information with our residents on how they may support our local business community. Our continuing efforts include reaching out to all new businesses in town and offering our services to support “grand openings” and/or listing “business spotlights” on our social media outlets and website. We also generate current and creative social media content through our Facebook, Instagram and website. Our “shop local” campaign ensures we are encouraging local residents to make use of the wide variety of local retailers, businesses, services, eateries and more in town. “Shop Local” efforts include our Randolph Rewards Coupon Book and our Veterans Discount Campaign.

We proudly host a booth at the annual Randolph Country Fair to further improve our visibility throughout the town and create in-person opportunities to discuss our business support services with residents. Each year, we also select a “business of the year” recipient; a business that demonstrates outstanding achievement and commitment to our local community. The EDC also submits an article to be included in the Randolph Quarterly Newsletter which is mailed to residents. These are just some of the projects that are supported through our annual committee’s efforts.

This year, we have begun the process to electronically issue the “Randolph Quarterly” newsletter to local businesses (previously only residents received this publication). As we confirm the email addresses of businesses, we will be adding them to our distribution list and they will be receiving email copies of this newsletter.

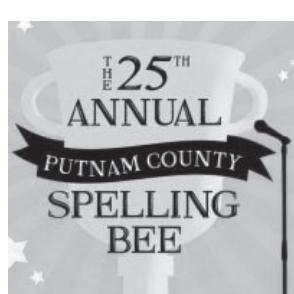

We have also become involved in a new effort (along with the Environmental and Landmark Committee) to add welcome signage in town.

To learn more about any of the items listed above, please visit the EDC website: www.randolphnjedc.com. We look forward to another productive and exciting year for 2025!

SUMMER PROGRAMS

Budding Stars – July 7th – July 18th

What do 5-year-olds to 7-year-olds have an abundance of? The answer is clear—creativity and energy! We have put together a program that will keep your child actively engaged Monday through Friday, 9:00 am to 3:00 pm, from July 7th to July 18th at the Senior Center on Calais Road. It's two full weeks of exposure to the world of performing arts. Fee is \$380. \$25 registration discount up to May 8th.

Summer Stages 2025

Brundage Park Playhouse proudly announces its 44th season of Summer Stages, a workshop for young performers ages 8 to 14. We offer four 2-week sessions throughout June, July and August. Students will gain performance experience in acting, music and dance through participation in a different production each session. Fee is \$370. Extended Day Program is available (8:30 am to 5:30 pm) for an additional \$50 fee per session. \$25 registration discount up to May 8th.

Summer Stages I - June 16 - June 27

Summer Stages II - June 30 to July 11 (No session on 7/4)

Summer Stages III - July 14 - July 25

Summer Stages IV - July 28 - August 8

Advanced Performers Workshop 2025 - July 21 – August 8

The Advanced Performers Workshop, or APW, is a more intensive alternative to our regular Summer Stages program. The three-week session culminates with a two-show performance weekend, not only for family and friends, but the general public as well! APW is only open to students who are already 12 years of age or who will be entering 7th - 11th grade in the 2025-2026 school year. Hours: 9:00 am to 3:00 pm Fee is \$550. There is a \$25 registration discount up to May 8th.

Artworks STUDIO

Located at 502 Millbrook Avenue (next to the municipal building)
Fine arts instruction for ages 3.5 years through adult.

Artworks Studio has been a popular Randolph program for more than 20 years! What started as a few art classes for kids taught by three teachers, has now grown to eight fantastic professionals teaching 15 classes for ages preschool to adult. Summers are now filled with camps and special workshops that are offered throughout the year along with other programs. Because of the ongoing support from our amazing families, Artworks Studio continues to grow and enjoys being a vital member of the Randolph community. Check out our offerings year-round through the Recreation Department (973) 989-7081, www.randolphnj.org/161/Artworks-Studio

The Historical Society of Old Randolph

(Photo courtesy of Jane Schwartz for the Historical Society of Old Randolph).

This vintage photo can be dated to the 1920's due to the trendy hairstyles of the passengers waiting to board the train at Ironia's ticket office with the sign "American Railway Express." The Chester Railroad was a part of the Morris and Essex line of the Delaware, Lackawanna and Western Railroad (DL&W) and was the only railway that traversed through Randolph Township starting in 1869 through the 1930's. Rail users jokingly translated the acronym DL&W to mean "Delay, Linger, and Wait" due to the poor train schedule adherence.

The train provided service to Dover, New Jersey - the main regional shopping center home to grocery shops and department stores. The brochure, Summer Excursion Routes and Rates, published by the Railroad, described the ride through Randolph with picturesque "green valleys and brisk streams." Passenger service was discontinued December 31, 1932, and this building was razed.

Please mark your calendars and join us for this fantastic day of creativity and connection!

Engineering Project Updates:

Calais Road and South Road Improvements Project

Randolph Township is pleased to announce upcoming improvements to Calais Road and South Road, scheduled for spring of 2025. These projects are made possible in part by Local Aid grants from the New Jersey Department of Transportation. Calais Road will be improved from Sussex Turnpike to 63 Calais Road, and South Road will be improved from Dover Chester Road to 96 South Road. Roadway improvements include milling and resurfacing of the roadway, curb and sidewalk upgrades, drainage improvements, and improved ADA accessibility.

Additional updates will be provided as the project progresses, and detours will be in place during construction. We look forward to these upgrades that will improve safety, accessibility, and overall road conditions for all residents and visitors.

Stormwater Management Updates

Randolph Township has recently updated its stormwater management website, which now includes detailed information regarding the Township Stormwater Management Plan, Stormwater Pollution Prevention Plan, Stormwater Ordinances, Infrastructure Map, and Informational Brochures. The website is available to visit here: www.randolphnj.org/334/Stormwater-Management

In addition, the township has contracted with Stormwater Compliance Solutions to perform GIS mapping of township-owned stormwater infrastructure, including storm drains and pipes. Over the next several months, you may notice their vehicles and staff in various locations throughout the township, equipped with GPS or survey tools. This mapping initiative is a requirement of the New Jersey Department of Environmental Protection (NJDEP) under the Tier A Municipal Stormwater General Permit. We appreciate your cooperation and understanding during this important process.

Residents should be aware that during spring maintenance and clean-up of their properties, grass, leaves, branches and other debris should not be directed or discharged onto neighboring properties, township properties, or stormwater management facilities such as detention basins, drainage ditches, swales, inlets or manholes. Placing debris in these facilities is likely to cause flooding and adversely impact all surrounding properties.

Water & Sewer Project Updates:

Consumer Confidence Report

As a public water system, Randolph Township is obligated to issue a yearly Consumer Confidence Report (CCR) related to the public water system. This report includes all required testing information and results for Randolph Township's water system, as well as our water provider, the Morris County Municipal Utilities Authority. The 2025 Consumer Confidence Report will be posted on the township website on approximately May 16th; visit the township's website at the following address: www.randolphnj.org/176/Drinking-Water-Quality-Report

What Are These Flags In My Yard?

New Jersey Law requires anyone digging to call at least **three full business days** (excluding weekends and holidays) prior to beginning work. This includes excavators as well as property and homeowners' contractors. Digging activities can include installation of a real estate sign, planting of landscaping, utility installation or repairs, building additions, decks, and other property improvements that require excavation. The utility marking flags may also be due to a proposed utility company repair or construction on a neighboring property.

Property marking flags include:

- Red Flag—Electric
- Yellow Flag—Gas/Oil/Steam
- Orange Flag—Communication CATV
- Blue Flag—Water (the only markout for which the township is responsible)
- Ink Flag—Temporary Survey Markings
- White Flag—Proposed Excavation

The utility flags should remain on the designated properties until the proposed excavation and improvements are completed, as the respective contractor is responsible for any damage to existing utilities within the excavated areas. More information can be found at the following 811 website www.nj1-call.org or contact the Township Engineering Division at 973-989-7069.

Randolph Township Has Partnered With ScreenNJ for Low or No Cost Cancer Screenings

ScreenNJ aims to increase screening for breast, cervical, colorectal, genetically-linked, HPV-linked, lung, prostate, and skin cancers to reduce cancer mortality rates, to reduce disparities, and to educate New Jersey residents about the importance of cancer screening, early detection, and prevention.

Available screening services include:

• Breast Cancer	• HPV-Related Cancers	• Genetically-Linked Cancers	• Prostate Cancer
• Cervical Cancer	• Colorectal Cancer	• Lung Cancer	• Skin Cancer

Please visit ScreenNJ.org or call 833-727-3665 to speak with a Patient Navigator.

Randolph Health Department – COVID-19 Vaccines

Free Covid vaccines available for ages 5 through adult.

Home visits available for homebound residents.

Call the nursing office at 973-537-7118 for an appointment.

Zoning Q&A

Q. What types of construction require a Residential Zoning Permit?

A. Zoning permits are required for the construction, erection, demolition or major alteration of any structure including, but not limited to, fences, decks, pools, sheds, building additions and interior alterations.

Q. Can I store my commercial vehicles at my home?

A. You may store one commercially registered vehicle if it is a standard size van or pickup. Anything larger must be garaged. Please call the Zoning Officer for more details at 973-537-7128.

Q. Can I store my RV or boat at my home?

A. You may park such vehicles on your property as long as they are properly screened. Please call the Zoning Officer for the regulations.

Q. Can I sell my car from my home?

A. You may sell only one car at a time and it must be located on your property.

Q. Do I need a permit for a shed?

A. You must get a zoning approval for any size shed. You must also get a building permit for a shed larger than 200 square feet.

Q. Can I put my shed anywhere on my property?

A. No, all freestanding accessory structures (i.e. pools, sheds, garages), must meet certain setbacks for your zone. Call the Zoning Officer for details.

Q. Can garden sheds 100 square feet or less be placed closer to the property lines?

A. Yes, each property may have one garden shed within the required setbacks up to five feet from a property line.

Q. What hours may residents and landscapers operate lawn mowers?

A. Lawn mowers with a muffler may be operated between the hours of 8:00 a.m. and 8:00 p.m. weekdays and 9:00 a.m. and 8:00 p.m. on weekends and legal holidays.

Q. Do I need a permit to cut down trees?

A. Yes, contact the Planning Department for details at 973-989-7080.

Q. Are there any additional requirements if my property is located near a river, stream, lake or any freshwater wetland or transition area?

A. Yes, NJDEP regulations limit the types of construction activities in these areas. It is recommended that residents review their proposed projects with the Engineering/Planning staff in the early planning phases.

Q. How far from my house must a pool be located?

A. In addition to rear and side yard setbacks, pools must be at least 12 feet from the principle structure.
