Economic Development Committee Recognizes Two Local Businesses and Reminds Residents to Shop Local

The annual Randolph Country Fair, held on Saturday September 24, was a huge success. This was the first year it was held at Veterans Community Park and the venue proved to be an ideal location. During the event, the Randolph Economic Development Committee (EDC) takes the opportunity to award local businesses with the well-earned recognition of the "Business of the Year" award. The mayor, the township manager, EDC & other township committee members attended the award ceremony. This year, two local businesses were recognized: **Simply Gourmet Caterers & Mario's Famous Pizza**.

Both businesses have had a long-standing presence in the township, been involved with many charitable donations, and have displayed a history and mission of local community support.

Established in 1998, Simply Gourmet is an innovative, progressive and customer focused full-service catering company, driven to be a leader in the food service industry by creating unique food service experiences. Their business model initially focused on children's school lunch services before moving to a larger facility in Randolph in 2007, when they launched a full-service catering division. Citing an intense work ethic and amazing employees, the company has grown from serving an average of 40 meals per day in a 400 square foot kitchen, to serving over 3,000 lunches per day from two full commercial kitchens with a catering business that spans across the northeastern part of the state. They have strong ties to the Randolph community and have contributed to many township events and charitable organizations including American Red Cross, Habitat for Humanity, Homeless Solutions, as well as local food pantries, shelters, adult centers and rehab centers. Simply Gourmet is proud to call Randolph Township home.

Mario's Famous Pizza, is located on Route 10 West in Randolph and has been happily serving the Randolph community for over 24 years. Their pizzas bring smiles to their customers' faces and they offer a range of pastas, calzones, salads, pitas and delectable Italian dishes. They also cater events with half-trays and full-trays that feed anywhere from 8 to 15 people each. Mario's Famous Pizza was honored to receive the award and plans to continue serving the Randolph community as well as surrounding towns with their delicious Italian cuisine.

With the Country Fair behind us, the holiday season will hopefully prove to be a busy season for our local business community as we encourage Randolph residents to "Shop Local". Visit our website: randolphlocal.com and search by category to find the local business or service that meets your needs. The EDC also has "Shop Local" signs available to any business in town! These signs are a great way to remind residents to frequent Randolph merchants and can be placed in the ground or in a window at any place of business. Please contact the township manager's office or any member of the EDC to request a sign.

Follow the EDC's current events on the township's Economic Development Committee and Randolph Local websites, randolphnjedc.com and randolphlocal.com, and on Facebook "**Randolph Township Economic Development Committee**" and Instagram **@rtnjedc**.

Going Green: Make It a Family Affair!

Protecting and caring for the environment is an important endeavor that the whole family can participate in. Cultivating an interest and enthusiasm for sustainability through family activities is important for the future of our planet. Here are some tips to incorporate sustainable activities into your family's everyday life.

- Pick up litter in your neighborhood, local parks, and trails.
- Recycle.
- Plant a garden.
- Repurpose old toys or furniture.
- Start a compost system.
- Carpool with friends and family.
- Reduce energy use at home by turning off lights and conserving water.

There are plenty of small ways you can make a big impact on the environment, so be sure to add "going green" to your family's daily routine!

RANDOLPH *in brief...*

A Message from the Mayor

Winter means we are making plans to welcome a new year and will transition from our 2022 township goals into our 2023 objectives.

I have been delighted to serve as your mayor in 2022. It has been wonderful to meet so many residents, be introduced to numerous diverse communities within Randolph, and have the ability to connect residents with needed resources.

It has also been valuable for me to hear from residents as they expressed concerns. Hearing issues from the public is so vital to Randolph's future progress. Bringing questions to the attention of our talented staff and professionals helps to plan future projects. Their expertise is a key reason why Randolph Township is one of the best municipalities in New Jersey in which to live and work. Please feel free to reach out to our township staff; their contact information is on our website. I know you will receive exceptional customer service.

On January 6 at 6:00 p.m. the council will have its annual reorganization meeting. At this meeting a new mayor and deputy mayor will be selected. It is also the meeting at which all new appointments to boards and committees will be made and professionals will be approved for the year.

As we move into 2023 there are many ways for residents

to provide input. One of the main ways is to attend the annual council budget meetings. Budget meetings will be held in February and March. All council meetings, as well as all township board and committee meetings, are listed on the township website and are open to the public. During budget meetings, the budget requests for each of the township's departments are reviewed. It is a great way for residents to hear about the township's direction and to provide input.

Enjoy the winter in Randolph! Please continue to offer your input by attending public meetings, communicating with our staff, and contacting your elected officials. Stay safe and informed by visiting the township website at randolphnj.org. You can also follow us on social media: "Township of Randolph" on Facebook and @randolphtpnj on Instagram and Twitter.

Regards,
Marie Potter
Mayor

Notice to All Taxpayers

Whereas, N.J.S.A. 54:4-67 permits the governing body to set the rate of interest to be charged for delinquent taxes, assessments, or other municipal charges, or to be charged a year-end penalty; and

Whereas, Resolution No. 01-22 was adopted by the governing body to charge the rate of interest on delinquent taxes, assessments, and water & sewer charges at 8% on the first \$1,500.00 of delinquent charges and 18% on any amount in excess of \$1,500.00 and a penalty of 6% shall be charged for any delinquency in excess of \$10,000.00 which has not been paid, as billed, prior to end of the calendar year.

Therefore, all tax payers are advised that the rates of interest and year end penalty are in effect for the calendar year 2022.

Please contact the tax collection office with any questions at 973-989-7047/7048 or visit the township website under Government > Taxes > FAQs.

Christmas Tree Collection

The Randolph Township Public Works Department will be picking up residents' Christmas trees this holiday season. The trees must be bare with no stands, ornaments, lights, tinsel, etc. Christmas trees must be put out at the curb no later than Monday, January 9.

Trees put out later than this date WILL NOT be picked up by the township. However, Christmas trees will be accepted at the Recycling Center anytime during normal working hours.

Snow Removal Guidelines

Randolph Township encourages all residents to follow these guidelines during the winter months so that the Public Works Department can maintain roads to the best of their ability.

- **Snow into the Roadway:** Please do not deposit snow into the roadway either by plowing, snow blowing, or shoveling. Whether you or your contractor deposits the snow into the road, it is against Township Ordinance. This creates a hazard for our plowing operators. All snow should be plowed, blown, or shoveled onto your property.
- **Garbage Cans:** Please do not place your cans in the road for garbage pickup. The drivers cannot take the time to stop plowing and move the garbage cans out of the way. Cans should be placed behind the curb and far enough back so the snow coming off the plow will not strike your garbage can. The garbage men will step onto your property to retrieve the can.
- **Basketball Posts:** Please remove all basketball posts that are located within the road or the road right of way. These posts and backboards can produce damage to the Public Works Department's equipment while performing snow related duties.
- **Vehicle Parking:** Any time that there is snow, vehicles are not permitted to be parked on the streets of Randolph Township. This is a Township Ordinance and is subject to fine. To avoid snow from hitting your vehicle when the plows pass, please do not park your vehicle close to the roadway.

Adhering to these guidelines helps the Public Works Department provide residents with the best possible service during snow events.

The Historical Society of Old Randolph

This vintage holiday ad from the IRON ERA Newspaper, December 1903, provides a glimpse into the past at the Boston Store Annex, formerly on the corner of Blackwell and Morris Streets, Dover. Folks from Randolph could easily take the train from Ironia for their holiday shopping, since the store was located around the corner from the DL&W Depot. The Red Star Trading Stamps incentive program was a marketing tool that dates back more than 100 years.

Merchants in the late 19th and early 20th centuries would hand out stamps to customers as an incentive for paying cash as opposed to credit, and to keep loyal customers. The stamps were pasted into provided booklets given out at the store, filling up the booklets, and eventually exchanging a specific number of filled booklets for household goods, furniture, jewelry, toys, sporting goods, or tools.

During the 1903 holiday season, furs were being touted at Boston Store Annex for presents, providing lay-away with a “small deposit.” Customers would need to stay warm, since less than three weeks later the most severe spell of winter weather in New Jersey was recorded on January 5, 1904, when the thermometer dipped to -34 degrees. Prior to that, the lowest recorded temperature in New Jersey was documented at -26 degrees during January 1873.

FURS FOR PRESENTS.

Such a multitude of these elegant garments that make such suitable and acceptable gifts for wives, sisters and sweet-hearts, prices ranging from 98c to \$35.00. RARE SAVINGS ON ALL FURS.

Any present or any garment bought at our stores can be laid aside until needed with a small deposit so buy early as the selection is always best.

SALE OF WOMEN'S TAILORED SUITS & COATS.

During the month of December Lowness of Price continues to be a predominant feature.

We have silk Velour Coats for Ladies whose Style and Dress Wear are equal in appearance to Seal Coats made by expert tailors, prices ranging from \$10.00 to \$35.00.

JEWELRY FOR PRESENTS.

An elegant display of Brooches, Belt Pins, Buckles, Hat Pins, etc. Could not attempt to tell of all the different styles and at prices to suit all pocket books.

Special closing out sale of Ladies', Misses' and Children's Hats, Trimmed and Untrimmed.

For the amusement and benefit of the little tots we will have a live Santa Claus in the window from Saturday, December 12, until Christmas Eve. A liberal discount offered to Sunday Schools and Churches. Be sure and see our display of beautiful Dolls before you buy.

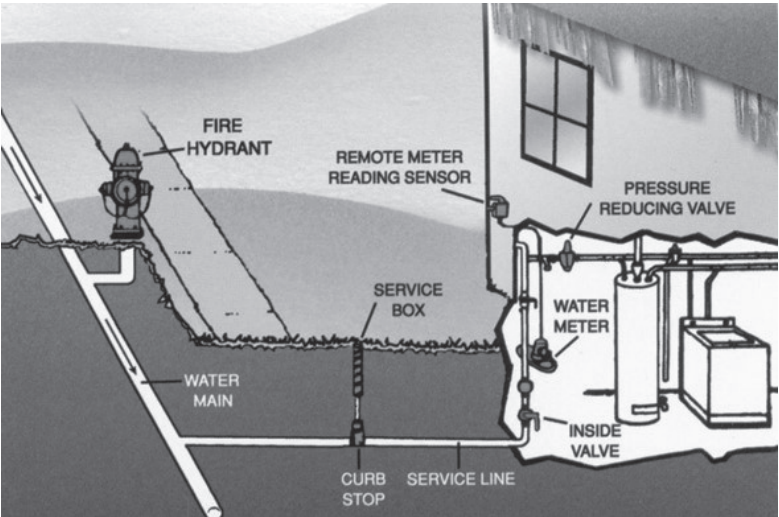

Boston Store, Dry Goods, Cloaks and Millinery, Corner Blackwell and Morris Sts.

Boston Store Annex.

Prevent Frozen Water Meters and Pipes This Winter

Cold weather is ahead of us! It is the time to safeguard your home by preventing water damage from frozen pipes and water meters that bring costly repairs. Take a few simple precautions now.

- Turn off outside faucets. Disconnect the hose. If you are going to be away for the winter, turn off the water from inside your house and drain the pipes.
- Never completely shut off the heat when you are away. If you plan to leave your home for an extended period of time and you don't drain your pipes, lower the thermostat, but never shut it off. The lack of heat can freeze the pipes in the walls and basement. Freezing bursts the pipes and, when the house warms up, the thawing water will cause flooding and significant damage.
- Patch any cracks and holes in doors, windows, and walls near pipes. When the temperature drops to near zero, a high wind blowing through a small opening can freeze a nearby pipe, even though the temperature in the room is 70°F.
- Insulate water meters, pipes, and faucets in unheated areas. Wrap pipes with pipe-insulating material, which is available at hardware stores.

Typical water system set-up

If you should experience frozen pipes, DO NOT USE A TORCH WITH AN OPEN FLAME TO THAW. The easiest and safest way to thaw a frozen pipe is to heat the room or use a hair dryer. Set the dryer on low heat and wave the warm air back and forth along the pipe. Placing a warm towel or rag around the pipe may also do the trick. Remember, the pipe may already be broken and, when the water is thawed, it will leak.

Be prepared by taking precautions now. Have your furnace regularly serviced, insulate drafty areas, inspect your plumbing, be familiar with your plumbing system, know where your inside water shut off valve is located and verify that it is working properly. Make sure you have the name and phone number of your plumber handy. Preparing for the cold can keep you from being left in the cold without water this winter.

View of new pump station cabinet

Water & Sewer Project Updates: Meadowbrook Pump Station

Construction is progressing on the existing Meadowbrook Pump Station located in the Meadowbrook Road area, with project completion anticipated for spring 2023.

A Letter from the Superintendent

Randolph has continued to excel locally, regionally and nationally as a leader in education. We have had so much to celebrate over the past few months and our school community is the strongest it has ever been. I am amazed by the ongoing collaborations between students, staff and community leaders as we work together to provide the very best opportunities for teaching and learning. As the age-old saying goes, it takes a village to raise a child.

At the beginning of the year, I spoke to staff about our goals for this school year. While I shared with our team some of the challenges we have faced, I also offered reassurance that our team continues to do their very best and as a result has ensured the continuity of exceptional opportunities in our schools. The outcome of this service is transformative and directly translates to the real world. We are not merely helping to raise children; we are preparing the next generation of adults who will eventually lead our communities and change the world.

All of this is only possible because of what I like to call “The Randolph Difference.” Randolph is unique because of our commitment and responsibility to serve the whole child. Every student is treated as a unique individual with specific needs, wants and desires. By caring for children as they are, we are able to provide students with the support and guidance they need to succeed today as well as every day for the rest of their lives.

As this year comes to an end, we look forward to continuing to do this important work in 2023. For everyone that has made, and continues to make, contributions to our schools and township in partnership with us, I sincerely thank you. We couldn't do the amazing work we do every day without your support.

Have a very happy and healthy start to the new year!
Sincerely,
Jennifer Fano

Randolph Police News

Teen Drivers – Keep Them Safe

Attention parents: Have you had a conversation with your teen about the important rules they need to follow to stay safe behind the wheel of a motor vehicle? Graduated Driver Licensing (GDL) laws address the greatest dangers for teen drivers: alcohol, inconsistent or no seat belt use, distracted and drowsy driving, speeding, and the number of passengers. Teens buckle up less frequently than adults. In 2013, over half of teens (ages 15-19) killed in crashes weren't wearing a seat belt. Their behavior impacts their younger passengers: when teens aren't wearing their seat belts, 90 percent of their younger passengers (ages 13-19) who die in crashes also aren't restrained. Kids need to understand that wearing a seat belt can make the difference between life and death.

Facts about Teen Driver Fatalities

- Motor vehicle crashes are the leading cause of death for teens (ages 15-18) in the United States.
- In 2019, there were 2,042 people killed in crashes involving teen drivers, of which 628 deaths were the teen driver.
- Parents can be the biggest influencers on teens' choices behind the wheel if they take the time to talk with their teens about driving risks.

Let's ensure our teenagers buckle up and obey safe driving rules! Visit the New Jersey Division of Highway Traffic Safety for more information about GDL laws: njoag.gov/about/divisions-and-offices/division-of-highway-traffic-safety-home/sticktoit/.

Vehicle Features Designed for Safer Winter Driving

The Randolph Police Department reminds drivers to travel safely in the wintry weather. Be familiar with your vehicle and different driving systems it may be equipped with to assist in snowy or icy conditions on the roads. Many vehicles have all-wheel-drive (AWD) or four-wheel-drive (4WD) which helps increase traction by engaging the front and rear wheels. With 4WD, vehicles this mode usually needs to be engaged, while AWD vehicles automatically adapt to the road conditions. Please remember that regardless of whether your vehicle has AWD or 4WD, any vehicle can lose traction and spin out when operated unsafely in adverse weather conditions. Although these drive modes are designed to increase traction by engaging the front and rear wheels, neither of these systems will improve your ability to stop. Winter tires will also assist your vehicle with having better traction on snowy or icy roadways. Another system your vehicle may be equipped with is traction control. It is important to engage traction control when you are driving on most occasions. However, if your vehicle is stuck in snow or mud and you are spinning your wheels, the traction control feature may not help as it slows down tire spin. If you are stuck, turn traction off so the wheels can spin enough to get through the mud or snow to find solid ground. Then, make sure your Traction Control system is activated again! Please drive safely this winter and holiday season.

Snow Removal Ordinance

Local Ordinance #44-82 states that if the sidewalk in front of your house is on a "Designated Walking Route" for school children, you are required to clear the sidewalks of any snow or ice accumulation within 12 hours of daylight following a snow or ice event. If your sidewalk is not on a designated walking route, it must still be cleared within 24 hours of daylight following a snow or ice event. Local Ordinance #44-81 states that no person shall place, cause to be placed, or permit to be placed any snow or ice upon any street, road or sidewalk within the township in any manner that will obstruct or impede vehicular or pedestrian traffic, or block any access to any street, road or sidewalk.

Randolph Rescue Squad

Who Are the Randolph Rescue Squad Volunteers?

health care workers, business owners, people of all ages – EMTs, those in training to become EMTs, drivers, life members, auxiliary – all members of our Randolph Rescue Squad (RRS). What they have in common is their dedication to the residents of Randolph in need of emergency medical assistance. Be assured that Squad membership fosters personal satisfaction. Recently, members shared thoughts about how their personal lives have been affected. For example, JL's leadership skills and self-confidence have improved. MB recognizes that his own school-aged children see the benefits of helping others. Riding as a crew member has fostered and solidified career decisions. BD stated, "All my life I wanted to be a journalist. Instead, my eyes have been opened to a whole new world. Now I am preparing for a career as a nurse." Life member AG emphasized, "As a member I have learned so much about Randolph's history and have met people from all walks of life. I have seen our younger members grow as people and professionals. I could not be prouder of their accomplishments and the role that RRS has had in shaping their future lives." Long-time resident EJ noted, "I have met many other residents, people of varied backgrounds, people new to this county, state, and country. Plus, I have traveled throughout the entire township and truly recognize that we are surrounded by so much natural beauty – the wildlife, the trees, the waterways, the hills and valleys, and seasonal changes that I never fully appreciated in years past." A highly active junior member summed it up honestly when he enthusiastically stated, "The Squad has changed my life. Being there for someone who is scared and needs help makes my life have more meaning. It gives me something to be proud of. Plus, the Squad has become my second family and changed my perspective on everything."

- Reminders:**
- ✓ DIAL 9-1-1 in an emergency. Provide a clear explanation of location and the nature of the emergency. Be prepared to give the crew a list of the patient's medications.
 - ✓ THANK YOU for your generous donations that enable us to provide quality, free-of-charge care. As always, we urge everyone to practice "safety first." Be vigilant on behalf of yourself, family, friends, and our entire Randolph community.
 - ✓ BLOOD DRIVE: Thanks to everyone who has already or will in the future donate at the RRS-sponsored blood drives. The next one is scheduled for December 29, 2022 at RRS Headquarters.
 - ✓ STAND-BYS and/or DRIVE-BYS: Send an email to captain@randolphrescue.org. It is best to make a detailed request with as much prior notice as possible and indicate the timeframe and location. We gladly assist at sports events and other group activities in the township.
 - ✓ GENERAL QUESTIONS: Send an email to info@randolphrescue.org.
 - ✓ RRS PRESIDENT: Christopher Zelley via president@randolphrescue.org
 - ✓ WEBSITE: Visit www.RandolphRescue.org to learn about the application and interview procedures.

Fire Department News

Santa Claus is coming to town! The Randolph Township Fire Department (RTFD) will soon be helping Santa get around town on their trucks. Santa will be visiting neighborhoods in mid-December. This is a fun event enjoyed by the entire community and also a good opportunity to ask Santa's helpers how you can join or help the fire department. Now that it's cold and our furnaces, fireplaces, wood burning stoves and other heating devices are running, make sure they are clean and able to operate per manufacturer specs. Residents should have chimneys cleaned each year to avoid chimney fires. If you ever notice any smells or smoke, please call the fire department as there may be an emergency with your heating system. We hope everyone has a warm and safe winter! Here are some winter fire safety tips:

- 1) Have your furnace checked.
 - 2) Check and/or clean your chimneys and vents.
 - 3) Test your smoke and CO detectors.
 - 4) Be cautious when using space heaters and follow manufacturer directions.
 - 5) Cover your fireplace with a screen/glass door.
 - 6) Use caution with lit candles. Extinguish them prior to leaving a room.
- Happy Holidays from the RTFD and we wish you a SAFE winter season. Remember to use caution when driving in adverse conditions!

Parks, Recreation & Community Services

Special Events

For more details and registration, please visit the township website > Parks & Recreation > Special Events. All special events require advanced registration and no refunds unless noted on Community Pass. Questions? Please call Randolph Recreation at 973-989-7081.

Contact the Community Service Department at 973-989-7084 for more information and to register.

Summer Camp Programs

Register online at randolphnj.org > Parks & Recreation > Online Registration

DAY CAMP

In 2023, the Recreation Department will offer seven weeks of Day Camp from June 26 – August 11. Regular hours are Monday through Friday, 9:00 a.m. to 3:00 p.m. An additional fee is required for Morning Care (7:00 – 8:45 a.m.) and After Care (3:15 – 6:00 p.m.). Sports, games, arts and crafts, and much more are planned including weekly visits to Randolph Lake, a camp carnival, crazy Olympics, camp BBQ, laser tag, guest demos, and of course, Cliff's sundaes! Full payment is required at time of registration. Camp size is limited. Special trips are not included in the camp fee—a separate registration will take place after May 1 for all registered participants.

Who: Children currently in grades K through 5
Camp Location: Outdoors at Freedom Park

Registration:	January 3 – February 28	\$200/week
(Resident fees)	March 1 – April 30	\$220/week
	May 1 – June 1	\$240/week

\$143 per week if you register for ALL 7 weeks (a \$400 savings). To be eligible for the discount, registration for all 7 weeks must be completed at the same time.

Extended Hours Programs Offered:

Morning Care (7:00 – 8:45 a.m.)	\$20/week
After Care (3:15 – 6:00 p.m.)	\$30/week

Note: See website for Non-Resident Fees.

TEEN TRAVEL CAMP

This four-week program for grades 6 through 8 will be held from June 26 – July 21, Mondays through Fridays, from 8:30 a.m. to 4:30 p.m. An additional fee is required for early drop-off (7:15 a.m.) and late pickup (5:30 p.m.).

Registration Fee: \$1,275 (all activities and trips are included in the camp cost)

\$425 deposit due at Registration
\$425 2nd payment due by March 1, 2023
\$425 Final payment due by May 1, 2023

- Camp size limited to a maximum of 100 children
- Camper/Counselor ratio of 9-to-1
- Camp T-shirt to all registrants
- Special trips to Great Adventure, Dorney Park, Hershey Park, Camelbeach Waterpark, Hurricane Harbor, Point Pleasant, Bowling, Mountain Creek, Dave & Buster's, an MLB Baseball Game and other great places!

For more information and registration, please visit the township website or call the Recreation Department at 973-989-7081, Monday-Friday, 8:30 a.m. – 4:30 p.m.

A “Wibit” of Amusement Is Coming to Randolph Lake!

Randolph Lake is getting an exciting upgrade in 2023 with the addition of a Wibit Inflatable Sports Park! The attraction is coming soon, where patrons will have the option to reserve a set block of time per day to utilize the system, similar to boat rentals on the lake. As a reminder, registration for membership to Randolph Lake will open in February. Visit the township website for more information.

Library Programs

Registration may be required. Register online at randolphnj.org/library or call 973-895-3556. Children’s programs that require registration are open to Randolph residents, children who are full-time attendees of schools located in Randolph, and children of parents who work in Randolph. Residents may register for children’s programs one week before the program; non-residents may register one day before a program if space is available.

Children's Programs Winter Drop-In Storytimes

Sunday, March 19

***Please check the library website (randolphnj.org/library) for programming changes, further information and to register.*

Brundage Park Playhouse

GYPSY

Music by Jule Styne; Lyrics by Stephen Sondheim; Book by Arthur Laurents; Directed by Matthew Finkelstein with Ray Gelpke; Music Director Nicole Paige Uvenio; Choreographer Becci Tank

Performance Dates: January 20, 21, 27, 28 at 7:00 p.m.; January 22, 29 at 3:00 p.m.

A Musical Fable, Gypsy is loosely based on the 1957 memoirs of striptease artist Gypsy Rose Lee, and focuses on her mother, Rose, whose name has become synonymous with "the ultimate show business mother."

LOST IN YONKERS

The Tony Award and Pulitzer Prize winning masterpiece play by Neil Simon; Directed by John Cavaliere

Performance Dates: March 10, 11, 17, 18 at 7:00 p.m.; March 12, 19 at 3:00 p.m.

A bittersweet comedy! New York in 1942, about two brothers who are sent to live with their stern German grandmother after their mother's death. Placed there by their traveling salesman father, the boys find themselves contending with new realities - a childlike aunt, a gangster uncle, and a dad who is never there.

If you are interested in volunteering or supporting the playhouse, please contact Theater Manager Ray Gelpke, rgelpke@randolphnj.org. To stay informed on all events and updates, visit brundageparkplayhouse.org and follow Brundage Park Playhouse on social media!

Randolph Township Recycling Guidelines

Recyclables must be placed curbside no later than 6:00 a.m. Recyclables must be placed in reusable containers, NOT in plastic bags. In the event of inclement weather, please visit randolphnj.org or call the Health Department at 973-989-7050 to determine if curbside collection has been canceled.

Acceptable recycling materials for curbside collection

ALL of these items can be placed together in ONE container:	ACCEPTABLE – All must be empty, free of food debris, and rinsed
Household Plastic Containers	Plastic containers numbered 1, 2, & 5 , juice boxes and other wax coated beverage cartons.
Aluminum & Metal Cans	Aluminum foil wrap, foil trays, and foil juice pouches. Includes aluminum, tin and steel food cans.
Glass Bottles & Jars	Clear, green/blue & brown beverage and food containers.
Newspapers, Magazines, Catalogs, Books, and Phonebooks	Includes ads, inserts, postcards, hard cover, soft cover, and miscellaneous paper.
Cardboard (corrugated/chip board)	All corrugated paper materials, chipboard: cereal boxes, gift boxes, scrap paper, egg cartons, paper cups, paper tubes, and wrapping paper.
Mixed Office Paper	Includes mail, envelopes, copy paper, office paper, and greeting cards.

These items should NOT be included in single stream recycling:	✓ Plastic bags	✓ Scrap metal	✓ Plastics numbered 3, 4, 6 & 7	✓ Bio-hazardous waste
	✓ Shredded Paper	✓ Household Batteries	✓ Styrofoam	✓ Paint, paint or aerosol cans, pesticides, or oil
	✓ Food or yard waste	✓ Fabrics or clothing	✓ Pizza boxes	✓ Plastic CD cases
	✓ Syringes	✓ VHS/VCR tapes	✓ Electronics	✓ Waxed paper or waxed cardboard
	✓ Ceramics or dishware	✓ PVC	✓ Window panes or mirrors	
	✓ Drinking glasses		✓ Light bulbs	

Acceptable items to be dropped off at the Recycling Center

These items may be dropped off at the Recycling Center for no fee, or call the Health Department to arrange for curbside pickup (a fee may be charged). If you have questions about whether an item is acceptable, please call the Health Department.

RECYCLABLE ITEM	ACCEPTABLE
Electronic Waste	Televisions, computers, laptops, monitors, computer peripherals such as keyboards and mice, fax machines, VCRs and radios.
White Goods/Appliances/Metal	Large household appliances: stoves, refrigerators, washers, dryers, dishwashers, etc. Metal includes lawn chair frames and filing cabinets.
Grass Clippings	Available seasonally.
Brush/Tree Branches	Basic yard debris. Maximum acceptable branch size is 4 feet in length by 4 inches in diameter. (No stumps)
Christmas Trees	Trees must be bare, with no stands, plastic bags, ornaments, lights, tinsel, etc. (Trees put out after January 10th WILL NOT be picked up by the township. Trees can be dropped off any time during normal working hours at the Recycling Center)
Leaves	Fall curbside collection per Department of Public Works schedule.
Tires – automobile, truck, and bike tires	Up to four tires. Remove steel rims which also can be recycled with metal.

Lead-Based Paint Inspections in Rental Dwellings Act

In July 2022, Governor Murphy signed New Jersey’s Lead Safe Certification law into effect, requiring periodic inspections for nonexempt rental dwellings that were constructed prior to 1978 for the purpose of identifying lead-based paint hazards, one of the biggest sources of lead exposure for children. The law imposes an obligation on municipalities to perform inspections of certain single-family, two-family, and multiple rental dwellings for lead-based paint hazards every two to three years, or upon tenant turnover, where there is no valid lead-safe certification.

The Randolph Township Health Dept. is in the process of implementing this inspection program, which is expected to be up and running by the early part of 2023 with full compliance anticipated by the end of 2023. If you own residential rental property in Randolph and have any questions regarding the program, please call the Health Dept. for more information at 973-989-7050.
