

Past & Prospective Randolph Park Beach Members:

The summer season is right around the corner. Registration for Beach Membership will open on February 2ND for Randolph residents and March 2ND for non-residents. You will find the details of the Tier level pricing and dates of when fees increase. Even with the costs of goods & services rising along with staff wages increasing by state mandate, it has been our goal to keep memberships fees with minimal to no increase.

Over the past several years we have continued to work on improvements to the lake facility. This upcoming spring, the decking around the swim lanes will be replaced. Along with that, here are just some of those improvements over the last few year:

Installing New Entrance Way

New Landscaping

Installing New Staircase

Wibit Activity Area

Renovating Swim Lane Area

Member's Only Events

We will continue to run member only events, however we want to try and add more. As a result, we need your help! We are looking for businesses that would be interested in becoming a sponsor of the lake. In return for sponsorship, we will offer the following: 1. Business name on a sponsor board to be posted at the lake, 2. Business name listed on the Township's Randolph Park Beach webpage for the season, 3. A thank you listed of the Randolph Park Beach Facebook page, 4. The opportunity for the sponsor to have a table with their business info for the entire day on a Member's Only Event date. **Here is the benefit as a member for securing a sponsor:**

- **Randolph Residents who secure a \$500 sponsorship, will receive a FREE membership.**
- **Non-Residents who secure a \$500 sponsorship, will receive 50% off of their membership fee.**
- **Non-Residents who secure a \$750 sponsorship, will receive a FREE membership.**

In addition to the Movies on the Beach and Karaoke nights, some other events we would like to add are Game Truck Events, Laser Light Show, Concert on the Beach etc.

If you are interested in participating in this sponsorship program, please contact me at 973-989-7081.

Best Regards,

Steve Eisenstein

Asst. Director of Parks, Recreation & Community Services
