The COVID-19 pandemic has had a significant impact on public interaction in 2020. Although some aspects of our everyday lives will continue to be different, especially through the coming months, we are excited to announce the plans for the opening of Randolph Lake this summer on Monday, June 22! The lake will be open daily until Sunday, August 30th from 11:00 a.m. to 7:00 p.m. weather permitting.

The Recreation Department, in conjunction with township management and the Health Department, has put together a plan to open the lake with the idea of keeping both visitors and staff safe while enjoying one of the township’s great facilities. We have heard from many of you with your ideas and suggestions for the policies this summer. We have taken them all into consideration and are confident we have addressed the issues to the best of our ability. This plan also includes all of the guidance from the Governor’s Office and recommendations from the CDC. We leave open the possibility of updating these plans if need arises or loosening of restrictions permits.

For the 2020 season, there will be a maximum capacity allowed at the beach at any given time. With this in mind, we spent numerous conversations on whether to offer memberships or only allow daily admittance. The first concern was the idea of having to turn those with memberships away if capacity was reached at that time. However, we recognized the concern of families with several members in the household the cost above membership it would be for them to visit on a frequent basis.

Please read the following carefully and contact the Recreation office with any questions.

- Advance reservation / purchase of daily passes will be available through Community Pass from 6:00 a.m. – 11:59 p.m. the day prior. There will be a limited amount of passes available to purchase at the gate on day of. Members will have the option to receive this notification via text message as well.

The following will be Rules & Regulations that will be in place in addition to the usual practices:

1. Maximum of 6 people per area (setup should be no more than a 10x10 area)
2. Minimum of 6’ distance between each group
3. It will be recommended that guests wear facemasks (except when in the water)
4. Staff will wear facemasks, except for lifeguards while in the stands or in the water.
5. Restrooms/Changing rooms will be open with a maximum capacity of 2 at one time. Those waiting in line must remain 6’ apart from those in front of them.
6. Restrooms will be cleaned frequently throughout the day.
7. Additional hand washing stations will be available.
8. Swimmers in shallow/deep end must maintain 6’ distance from all other swimmers.
9. Splash pad will remain closed for the summer.
10. NO use of the floating docks.
11. NO use of canoes or paddleboats.
12. All benches and picnic tables will be removed.
13. NO use of BBQ grills.

Anyone who is determined by the Lake staff to be in violation of the rules above will result in removal on a permanent basis for the summer without refund.

Lastly, at this time the concession stand will not be open this season. We are looking at the possibility of other alternatives. As soon as we have any details we will announce that information.

If you have any questions please feel free to contact the Recreation Office, Monday – Friday, 8:30 a.m. – 4:30 p.m.

Thank you,
The Randolph Township Department of Parks, Recreation and Community Services
